### Program Admission Requirements:
*Students not adequately prepared to enter the required mathematics courses must take appropriate prerequisite courses without credit toward graduation.

---

Completion of the AALT/ASLT degree guarantees that the student has met, in full, all lower division general education requirements at the receiving Louisiana public university. Graduates transferring with the transfer degree will have junior status. Courses or GPA requirements for specific majors, departments, or schools are not automatically satisfied by an AALT/ASLT degree.
