THE UNIVERSITY of NEW ORLEANS

PRIVATEER PLUNGE

2018 EVENT GUIDE
Welcome to UNO!

The University of New Orleans has so much to offer that we can’t possibly introduce it all to you during your brief orientation! The Office of Student Involvement & Leadership and the Office of Enrollment Services have designed Privateer Plunge to offer you a variety of opportunities to understand the resources available to you and to meet other UNO students, faculty and administrators.

We hope you take the plunge!

**Online:**
www.uno.edu/fyt/privateerplunge
www.facebook.com/PrivateerPlunge

**Questions about Privateer Plunge?**
Email privateerplunge@uno.edu

Need to request **disability-related accommodations**? Please contact the sponsoring organization for each specific event at the email address listed at least one week in advance.
THE CHALLENGE

During Privateer Plunge you will be expected to attend at least four (4) events within your first few weeks at the University of New Orleans. The challenge is to attend events in each of the different categories: Involvement, Resources and Traditions. To successfully take the plunge challenge, you must attend these events by October 1st!

Each category is denoted by a color splash:

ININVOLVEMENT

RESOURCES

TRADITIONS

Reference this guide for information about when and where events are happening and which category applies to each using the splash by the event name.

For the most up to date information, you can find a list of events online at www.uno.edu/fyt/privateerplunge or listed under the “Events” tab in the UNO Social mobile app.

WHAT’S MY INCENTIVE?

When you attend an event, sign in using the UNO Social mobile app (search for “UNO Social” in the App or Play Store) to scan the event’s posted QR codes. Once you check in, your attendance will be noted and uploaded to our Privateer Plunge attendance system.

If you check in to an event outside of its scheduled time, you will not receive Privateer Plunge credit for attending the event.

You are going to meet new friends, professors and administrators and make the important transition from high school to college academics.
Save the Date!

The Privateer Plunge Wrap-Up Party will be Tuesday, October 23rd, 2018!

At the Wrap-Up party, you will be eligible to win a variety of prizes once you have completed four (4) events—the prize opportunities get better as you attend more events! From bookstore vouchers to Saints tickets, we have a variety of prizes ready to reward you for getting involved on campus. You must be present to win!

Privateer Plunge events are open to ALL students. However, only new freshmen and new transfer students are eligible to win prizes.

Good luck, Privateers!
