The Guidelines for Expansion for Social Sororities and Fraternities outlines the procedures for application, review, and registration of a social sorority and/or fraternity at the University of New Orleans.

A social sorority or fraternity may register with the University only after a formal invitation has been granted by the Vice President for Student Affairs and Enrollment Management. In order to receive a formal invitation, the petitioning organization must meet all the documentation and certification requirements as set forth by these Guidelines for Expansion. Following the submission of all documentation and certification requirements, an Expansion Committee consisting of council presidents, chapter delegates, and University administrators will convene to review all documentation and to make a recommendation regarding whether to extend a formal invitation for registration. The recommendation shall than be presented to the Vice President of Student Affairs and Enrollment Management for review and approval.

The governance structure for social sororities and fraternities at the University of New Orleans includes student governing councils that are delegated authority by the University to participate in a shared governance model. A petitioning social sorority or fraternity needs to be aware of the policies and procedures of each council, as the organization must affiliate with one of the three councils upon registering as a social sorority or fraternity. For specific information about the councils, please refer to the following website: www.greeklife.uno.edu.

This document is divided into three sections: Section I outlines the University of New Orleans’s definition and general guidelines for social sororities and fraternities pursuant to the relevant Rules of the University of New Orleans; Section II outlines the procedure that a petitioning social sorority or fraternity must follow to request and obtain registration; and Section III outlines the benefits and expectations of a registered social sorority or fraternity at the University of New Orleans.

SECTION I

RULES OF THE UNIVERSITYOF NEW ORLEANS

Student Affairs and Enrollment Management: Social Sororities and Fraternities
Social sororities and fraternities are student organizations that are founded on the principles of brotherhood/sisterhood and are based on the ideals of friendship, personal growth and service to the community. In partnership with the University, social sororities and fraternities promote the highest standards of scholarship, leadership, and service for their members.

The United States Department of Education has established guidelines and criteria necessary to be classified as a social sorority or fraternity (which includes a provision that allows an organization to operate as a single-sex organization). In keeping with the criteria established by the Department of Education, the University of New Orleans classifies social sororities and fraternities as organizations that:

- Do not limit membership to persons pursuing or having interest in a particular field of study, profession or academic discipline
- Do not serve as solely honorary societies for academic, leadership, or any other endeavor
- Do not permit members to hold membership in other social sororities or fraternities.

In addition these organizations must also:

- Have tax-exempt status under Section 501(c)(7) of the Internal Revenue Code
- Limit membership to currently enrolled students at the University of New Orleans.
- Social sororities and fraternities shall exist at the University of New Orleans as registered student organizations and shall be classified as social sororities and fraternities, governed by policies established by Student Affairs and Enrollment Management and administered through the Office of Student Involvement and Leadership (SIL).
- The governance structure established by the University of New Orleans includes student input and participation. Student input and participation is accomplished through authority delegated by SIL to designated student governing councils. Social sororities and fraternities must abide by applicable university policies, regulations, and procedures governing student organizations, as well as policies, guidelines, and procedures established by SIL and the designated governing councils.
- A social sorority or fraternity seeking registration at the University of New Orleans must complete the expansion process as outlined in the Guidelines for Expansion for Social Sororities and Fraternities. No social sorority or fraternity shall be registered at the University of New Orleans without approval by SIL and affiliation with a designated governing council.
- The University reserves the right to withhold, revoke, or suspend the registration of any social sorority or fraternity when University rules, policies, and/or guidelines are not adhered to.
