Meeting begin at 8:04pm

Approval of Last Weeks

Motion to suspend rules of order to move discuss changes of bylaws and elections up to beginning.

New Business: Constitution change to Article 5, Section 1 (see attached).

Sam: There seems to be an issue when it comes to the elections. If these laws changed, then elections will have to be open for all positions.

David: When you change the eligibility for a position, then you will have to reopen it for everyone who wasn’t eligible before. I heard you all said that you were going to reopen it for the two open positions, but that is not legal.

Joseph: Will we have to open up all of these positions for next week?

Sam: Yes

David: The current president does have the authority to call a special meeting, which would be recommended. Also, you can’t have an application for elections and have nominations written in the constitution. You can only have one or the other. I would suggest to open nominations til Friday, then have a special meeting.

Dale: What if they didn’t accept that.

David: Then we would just have to go with what is currently written

Colin: That would eliminates all of PKS, Associate members, and pledges.

David: I just want you all to know what would happens.

Motion for a 3 minute debate

Opposition:

Dale: I’m for it either way. The reason why it wasn’t like it in the past was because IFC is the government body of the fraternities

David: The positions that are the most key already have a second layer of requirements.

Support:

David: You have put enough things into the bill where it feels like it doesn’t matter if the person is from a colony, or an associate member, or . If you can have a person that starts on the groundwork and then work their way up, they tend to turn out better.
Colin: People shouldn’t be exiled because they are colonies. Unfortunately, the current bylaws are written exclusively. This would move towards beneficial ideas. I feel like we did a good job at last meeting. What we talked about would be an effective measure.

Brent: It would be necessary to help them move towards their charter.

Sam: Alfonso has withdrawn from his position for Recruitment Chair.

Colin: Which means we have to have a special elections

Joseph: Does it have to be this Friday. It’s Thanksgiving.

David: There are no rules for special meetings in Constitution. You do have to give at least a 48 hours notice.

Sam: Without the bill, we would have 3 position filled and 3 position not filled.

Colin: If the bill does not pass, the elections will have to be done on December 1.

Sam: All positions will be opened on December 1, if the business gets passed.

Motion to call to question

With 4 votes in favor and 0 votes against, the amendment is added.

Colin: We will be opening applications to every position.

David: We should close application at 12 so Dale can have time to do grade check.

Sam: What about 2pm.

David: We still have to address the problem of the applications being out of the constitution.

Sam: We need to have a meeting at 7pm to go over the nominations.

Colin: So the application are due Monday at 2pm?

Dale: I have a break from 2:30 to 3pm. If you want to do it on Monday, I can do it, but I wouldn’t have o

Andres: We should do it on Sunday.

David: Do we have a mechanism to tell everyone that that the rules have changed?

Leroy: Me

Motion to return to rules and procedures. Objections.

Sam: So all of the applications are due Sunday at 11:59 and the special meeting will be that Monday at 7pm

Dale: the individual that already applied do not have to reapply again. I still have their applications.
