Dear UNO Student:

As a new or re-entering student, you are subject to a State legislated pre-matriculation immunization statute that requires you to provide UNO with your immunization status regarding Measles, Mumps, Rubella, Tetanus-Diphtheria (Td) or Tetanus Toxoid reduced diphtheria acellular pertussis (Tdap) and Meningococcal. The Proof of Immunization Compliance form is included.

The following is a summary of the guidelines of the Louisiana State Health Department:

- **Tetanus-Diphtheria (Td) or Tetanus Toxoid reduced diphtheria acellular pertussis (Tdap) immunization within the last ten years.**
- If you were born on or after January 1, 1957, two measles-mumps-rubella immunizations are needed.
  - The first of these immunizations must be given after 1967, after your first birthday, and given without gamma globulin. The second must be given at least 30 days later.
  - If you had the disease, one of two proofs is necessary:
    - A blood test, called a titer, which shows immunity to the disease.
    - The signature of the physician who attended to you when you were ill with the disease.
- If you were born before 1957, there is no measles-mumps-rubella requirement.
- If you were born before 1957, the diphtheria-tetanus requirement still applies.
- All students must show proof of two doses of Meningococcal Conjugate vaccination separated by at least eight weeks. If the first dose is administered AFTER age 16, a second dose is NOT required.
- Please have the compliance form completed and returned prior to registration. Failure to do so will result in your registration being delayed or denied. Please fax, email, mail or return the information to the Office of Student Affairs. (Fax: 504.280.3975, Email: healthservices@uno.edu.)
- Waivers for immunizations: waiver.uno.edu Login with your UNO username and password.

We look forward to serving you while you are at UNO.
