Closing Remarks

J. Ben Matheny
UNO Honors Alumnus

The University of New Orleans Honors Program

Chartered in 1982, the Honors Program is open to students from all disciplines, offers special classes taught by select faculty, and creates a rich and challenging learning environment for exceptional achievers.

The University Honors Program welcomes you to this evening's celebration of our students' academic achievements.

Announcements and News

- Don't forget to check our web page for important updates about Honors:
www.uno.edu/honors/
- Our main mode of contacting students is through email, so check your UNO email account often or have your mail forwarded from your UNO account to an account that you use regularly.
