SPOTLIGHTED OPPORTUNITIES FOR UNO

• **LA Sea Grant**: LOUISIANA SEA GRANT REQUEST FOR PROPOSALS

Two Proposal Categories: Research Proposals and Synthesis Proposals. Louisiana Sea Grant College Program (LSG) has new funds within the FY2014 appropriation to support competitive “RESILIENCE” research during the next two years. LSG is seeking proposals that describe projects in two grant categories: (1) RESEARCH Projects ($75K per year for 1-2 years; and (2) SYNTHESIS Projects ($25K per year for 1-2 years). To learn more about the process of submitting a proposal and viewing documents necessary to formally apply for funding, visit the Louisiana Sea Grant web site at: www.laseagrant.org/rfp/Research-Synthesis-RFP.htm . FUNDING PERIOD: One or Two Years from Start Date ISSUE DATE: June 27, 2014 PROPOSAL DUE DATE: August 6, 2014 PROPOSAL REVIEW DATE: September 3, 2014 NOTIFICATION OF AWARD: September 30, 2014 START DATE: 1 November 2014 or as requested by PI

ARTS, HUMANITIES AND INTERNATIONAL

• **National Foundation on the Arts and the Humanities**: U.S.-Chile Trade-Related Environmental Cooperation: Energy Efficiency in Chile

Notice announcing a partially open meeting of the National Council on the Humanities to advise the Chairman of the National Endowment for the Humanities (NEH) with respect to policies, programs and procedures, to review applications, and to consider gifts offered to NEH. The open portions of the meeting will be held on July 10, 2014, from 9:00 am to 10:30 am, and July 11, 2014, from 9:00 am, ET, until adjourned, at Constitution Center, 400 7th Street SW, Washington, DC.

Links: [Solicitation](#), [Grants.gov](#)

• **U.S. Department of State (DOS); Bureau of East Asian and Pacific Affairs**: TIGERS@Mekong - Promoting Technology Entrepreneurship in the Lower Mekong

Notice seeking proposals that support high-growth entrepreneurs and improve startup ecosystems in the Lower Mekong sub-region. Proposals are due July 25, 2014. Approximately up to $198,000 is available to support one or more awards.

Links: [Grants.gov](#)

• **U.S. Department of State (DOS); Bureau of International Narcotics and Law Enforcement (INL)**: Community Conservancy Initiative in Kenya

Notice seeking proposals to build expertise that will increase the law enforcement capability of the community conservancies in Kenya. Proposals are due July 25, 2014. Approximately $1 million is available to support up to three awards for 24 months with the possibility to extend for one year.

Links: [Grants.gov](#)

• **U.S. Department of State (DOS); Bureau of International Narcotics and Law Enforcement (INL)**: Justice Interventions for Wildlife Crime in Kenya

Notice seeking proposals to promote international cooperation and coordination, and provide training and other technical assistance to help build institutional capacity for combating the international criminal activities associated with wildlife crime. Proposals are due July 25, 2014. Approximately $500,000 is available to support three awards for 24 months with the possibility of a one year extension.

Links: [Grants.gov](#)

• **U.S. Department of State (DOS); Bureau of International Narcotics and Law Enforcement Affairs (INL)**: Kenya Transnational Organized Crime Investigations, Wildlife Crime

Notice seeking proposals to minimize the impact of international crime and illegal drugs on the United States, its citizens, and partner nations by providing effective foreign assistance and fostering global cooperation. Proposals are due July 25, 2014. Approximately $1.5 million available to support up to five awards for 24 months with the possibility of a one year extension. Organizations based outside of Kenya are required to identify and work with an implementing partner based in Kenya to ensure local buy-in? and sustainability.

Links: [Grants.gov](#)

• **U.S. Department of State (DOS); Ocean and International Environmental Scientific (OIES)**: Logistics, Meeting Coordination and Web-Based Communications, Digital Media Support for Environmental Cooperation

Notice seeking applications to facilitate communication and information exchange related to environmental cooperation of the FTAs through meetings, web-based communications, and digital media. Applications are due July 18, 2014. Approximately $287,000 is available to support one or more awards.

Links: [Solicitation](#), [Grants.gov](#)
• U.S. Department of State (DOS); U.S. Embassy, Islamabad, Pakistan: Establishment of a University Partnership with National College of Arts - Lahore

Notice seeking applications to facilitate a long-term, mutually beneficial relationship between NCA Lahore and a U.S. counterpart that endures beyond the period of this cooperative agreement. Applications are due July 24, 2014. Approximately up to $1 million is available to support one award. The lead institution and funding recipient in the project must be an accredited four-year U.S college or university.

Links: Grants.gov

• U.S. Department of State (DOS); U.S. Mission to Afghanistan: Women's Issues Messaging Campaign

Notice seeking proposals to create innovative and thought-provoking messaging to raise public awareness on issues related to women for the "16 Days Campaign to End Gender Violence" and "International Women’s Day.” Proposals are due July 26, 2014. Organizations must demonstrate current country registration license (when applicable), competent programmatic ability and be able to meet reporting requirements. Non-Afghan organizations are required to partner with an Afghan organization or company.

Links: Grants.gov

• U.S. Department of State (DOS); U.S. Mission to India: Regional English Language Office Small Grants

Notice seeking proposals to help improve the quality of English language teaching while also enhancing mutual understanding between the people of India and the United States of America. Applications are due July 28, 2014. Multiple awards of up to $15,000 are available.

Links: Solicitation, Grants.gov

• U.S. Department of State (DOS); U.S. Mission to India: TESOL International Academy and ELT Conference Logistics Program for India

Notice seeking proposals to will connect Indian English language teachers with both American and regional English Language Teaching (ELT) experts in order to strengthen regional and international teacher networks and to contribute to professional development of the field. Applications are due July 25, 2014. Approximately $90,000 is available to support one award.

Links: Solicitation, Grants.gov

• U.S. Department of State (DOS); U.S. Mission to India: All India Access Summer Camp

Notice seeking proposals to organize and manage an "All India Access Summer Camp" that will bring approximately 45 disadvantaged teenagers and 15 English teachers from the English Access Microscholarship Programs together in a countryside location in India for seven full days in May or June, 2015. Applications are due July 24, 2014. Approximately $125,000 is available to support one award.

Links: Solicitation, Grants.gov

• U.S. Department of State (DOS); U.S. Mission to Pakistan: Establishment of a University Partnership with International Islamic University Islamabad

Notice seeking applications to facilitate a long-term, mutually beneficial relationship between International Islamic University Islamabad (IIUI) and a U.S. counterpart that endures beyond the period of this cooperative agreement. Applications are due July 25, 2014. Approximately up to $1 million is available to support one award. The lead institution and funding recipient in the project must be an accredited four-year U.S college or university.

Links: Grants.gov

• U.S. Department of State; U.S. Embassy - Beijing, China: American Cultural Centers and Cultural Programming in the People's Republic of China

Notice seeking proposals for the establishment of an American Cultural Center (ACC) through an existing partnership with a Chinese institution and/or comprehensive U.S. cultural-related programming at space provided by a Chinese partner institution as needed. Applications are due August 11, 2014. Approximately up to $100,000 is available to support each award. Multiple awards are expected.

Links: Grants.gov

EDUCATION and ECONOMIC AND COMMUNITY DEVELOPMENT

• Corporation for National and Community Service (CNCS): justice AmeriCorps

Notice seeking applications to use the AmeriCorps service model to improve the efficient and effective adjudication of immigration court proceedings involving unaccompanied children. Notices of Intent are encouraged by July 15, 2014. Applications are due July 22, 2014. Approximately up to $2 million is available to support 100 awards.

Links: Solicitation, Grants.gov
• U.S. Department of Education (ED): Secretary's Proposed Supplemental Priorities and Definitions for Discretionary Grant Programs

Notice announcing 15 proposed priorities and related definitions for use in discretionary grant programs. Comments are due by July 24, 2014.

Links: Federal Register

• U.S. Department of Education (ED); Office of Postsecondary Education (OPE): Center for Best Practices to Support Single Parent Students

CFDA Number 84.116L

Notice seeking applications to develop a Center for Best Practices to Support Single Parent Students that must: (a) Assist institutions implementing innovative programs that support single parents pursuing higher education; (b) study and develop an evaluation protocol for such programs that includes quantitative and qualitative methodologies; (c) provide appropriate technical assistance regarding the replication, evaluation, and continuous improvement of such programs; and (d) develop and disseminate best practices for these programs. Applications are due July 21, 2014. Approximately $495,000 is available to support one award. Four year colleges and universities are eligible to apply.

Links: Federal Register, Grants.gov

• U.S. Department of Education (ED); Office of Special Education and Rehabilitative Services (OSERS): National Institute on Disability and Rehabilitation Research (NIDRR) Rehabilitation Research and Training Centers

Notice seeking applications to plan and conduct research, demonstration projects, training, and related activities, including international activities, to develop methods, procedures, and rehabilitation technology that maximize the full inclusion and integration into society, employment, independent living, family support, and economic and social self-sufficiency of individuals with disabilities. Notices of intent are due July 30, 2014. Applications are due August 25, 2014. Approximately $875,000 is available to support one award for five years. A pre-Application conference call will be held on July 16, 2014 from 1:00 p.m. to 3:00 p.m. (ET) and 3:30 p.m. to 4:30 p.m. (ET).

Links: ED-GRANTS-062514-002 Federal Register, Grants.gov
ED-GRANTS-062514-003 Federal Register, Grants.gov

• U.S. Department of Justice (DOJ); Office of Justice Programs (OJP): Pathways to Careers: Community Colleges for Youth and Young Adults with Disabilities Demonstration Project

Notice seeking applications to research, develop, test, and in coordination with DOL, evaluate innovative systems models for providing inclusive integrated education and career development services to youth and young adults with disabilities, including those with significant disabilities.

Links: Grants.gov

• U.S. Department of Justice (DOJ); Office of Justice Programs (OJP); Office of Juvenile Justice Delinquency Prevention (OJJDP): OJJDP FY 2014 Studies Program on Ethnic Disparities in Juvenile Justice

Notice seeking applications that propose original research and/or secondary analysis of existing data that focuses on the impact of Hispanic/Latino ethnicity at various points of intersection with the juvenile justice system. Proposals should include an explanation of how the proposed study will increase understanding of ethnic disparities involving the Hispanic/Latino population and advance the juvenile justice research field. Applications are due July 21, 2014. Up to three awards expected.

Links: Grants.gov

• U.S. Department of Labor (DOL): National Employer Policy, Research, and Technical Assistance Center on the Employment of People with Disabilities

Notice seeking applications to manage a National Employer Policy, Research, and Technical Assistance Center on the Employment of People with Disabilities. Applications are due 45 days after June 26, 2014. Approximately $1.85 million is available for one award for five years.

Links: Grants.gov

• U.S. Small Business Administration (SBA); Office of Business Development: 7j Management and Technical Assistance Services

Notice seeking proposals that offer unique and innovative approaches to addressing the many challenges facing 8(a) and 7(j) eligible firms today, including but not limited to teaming with other businesses, mastering the process of procuring a Federal government contract, reversing declines and turning around businesses, and securing loan financing or private equity funding. Applications are due July 20, 2014. Approximately $1.5 million is available to support six to ten awards.

Links: Grants.gov
HEALTH and MENTAL HEALTH

• U.S. Department of Health and Human Services (HHS); Administration for Children & Families (ACF); Administration on Children, Youth and Families’ (ACFY) Family and Youth Services Bureau (FYSB): Competitive Abstinence Education Grant Program

Notice seeking applications to provide funding for additional tools to address the rates of teen pregnancy among adolescent youth who are at greatest risk of sexually transmitted diseases/sexually transmitted infections (STD/STI) and most likely to bear children out of wedlock. Applications are due August 7, 2014. Approximately $4.6 million is available to support nine awards.

Links: Solicitation, Grants.gov

• U.S. Department of Health and Human Services (HHS); Administration for Children and Families (ACF): Early Head Start-Child Care Partnerships Technical Assistance Support Project

Notice seeking applications to establish National Center for Early Head Start-Child Care Partnerships to increase professional development participation of staff working with underserved populations. Applications are due August 11, 2014. Approximately $3 million is available to support one award for five years.

Links: Solicitation, Grants.gov

• U.S. Department of Health and Human Services (HHS); Administration for Community Living (ACL): PPHF- 2014 - National Falls Prevention Resource Center Financed Solely by 2014 Prevention and Public Health Funds (PPHF-2014)

Notice seeking applications to support a National Falls Prevention Resource Center that will work collaboratively ? on behalf of the public, aging services network, and other stakeholders ? to increase public education about the risks of falls and how to prevent them, as well as support and stimulate the implementation and dissemination of evidence-based community programs and strategies that have been proven to reduce the incidence of falls among seniors. Letters of intent are requested by July 7, 2014. Applications are due July 29, 2014. Approximately $400,000 is available to support one award.

Links: Grants.gov

• U.S. Department of Health and Human Services (HHS); Agency for Health Care Research and Quality (AHRQ): Comparative Health System Performance in Accelerating PCOR Dissemination (U19)

Notice seeking applications from for Centers of Excellence to identify, classify, track, and compare healthcare delivery systems ranging from integrated delivery systems to Accountable Care Organizations across the U.S. to help improve the speed of adoption and diffusion of CER-recommended practices through systems. Letters of intent are requested by September 5, 2014. Applications are due October 17, 2014. Approximately $10.5 million is available to support three awards over a five year period.

Links: Solicitation, Grants.gov

• U.S. Department of Health and Human Services (HHS); Health Resources and Services Administration (HRSA): Alliance for Innovation on Maternal and Child Health: Cooperative Agreement Expanding Access to Care for the Maternal and Child Health Population

Notice seeking applications to expand access to care for maternal and child health populations. Applications are due July 28, 2014. Category 1 - Collaborative Engagement has approximately $1.3 million to support multiple awards; and Category 2 - Measuring Collaborative Engagement Awardee Activity has approximately $250,000 to support multiple awards.

Links: HRSA-14-011 Grants.gov
HRSA-14-141 Grants.gov

• U.S. Department of Health and Human Services (HHS); National Institutes of Health (NIH): Peripheral Blood Biomarkers of Chronic Traumatic Brain Injury in Human Subjects - SBIR Direct Phase II (R44)

Notice seeking applications for SBIR Phase II to support projects that demonstrate the presence of protein biomarkers that are related to brain structure or neurological function in patients in the chronic stages of traumatic brain injury (CBI). Letter of intent is due on July 29, 2014. Applications are due on August 29, 2014. Approximately $1.5 million is available for 1 to 2 awards for two years. Colleges and universities are eligible to apply as partners.

Links: Solicitation, Grants.gov

• U.S. Department of Health and Human Services (HHS); National Institutes of Health (NIH); Eunice Kennedy Shriver National Institute of Child Health and Human Development (NICHD): Global "Omics" Approaches Targeting Adverse Pregnancy and Neonatal Outcomes Utilizing Existing Cohorts (R01)

Notice seeking applications utilizing state of the science "Omics" technologies (such as genomics epigenomics, proteomics, and metabolomics), coupled to powerful bioinformatics tools, to target important pregnancy and neonatal health problems by using existing cohorts. Applications are due October 7, 2014, October 7, 2015, and October 7, 2016. Program expires October 8, 2016.

Links: Solicitation, Grants.gov
• U.S. Department of Health and Human Services (HHS); National Institutes of Health (NIH); National Center for Complementary and Alternative Medicine (NCCAM): Center of Excellence for Natural Product Drug Interaction Research (U54)

Notice seeking applications for a Center of Excellence for Natural Product Drug Interaction Research to provide leadership in the study of natural product drug interactions. The ultimate goal of this program is to develop a definitive approach to determining the clinical relevance of pharmacokinetic interactions between natural products and medications. Letters of intent are requested by November 4, 2014. Applications are due December 4, 2014. Approximately $2.1 million is available to support one award.

Links: [Solicitation](#), [Grants.gov](#)

• U.S. Department of Health and Human Services (HHS); National Institutes of Health (NIH); National Heart, Lung, and Blood Institute (NHLBI): Enriching the Hematology Research Workforce through Short-term Educational Experiences in Emerging Science Research Education Program Grant (R25)

Notice seeking applications for the development of creative educational activities with an integrated focus on Courses for Skills Development and Research experiences. Letters of intent are requested by September 13, 2014. Applications are due October 13, 2014. Approximately $594,000 is available to support up to five awards.

Links: [Solicitation](#), [Grants.gov](#)

• U.S. Department of Health and Human Services (HHS); National Institutes of Health (NIH); National Institute of Allergy and Infectious Diseases (NIAID): Development of Novel Therapeutics for Select Pathogens (R21/R33)

Notice seeking applications to support basic to translational research focused on development of novel therapeutics against select antibiotic-resistant gram-negative bacteria or influenza. Letters of intent are requested by September 19, 2014. Applications are due October 20, 2014. Approximately $3.1 million is available to support 10 to 12 awards over a three year period.

Links: [Solicitation](#), [Grants.gov](#)

• U.S. Department of Health and Human Services (HHS); National Institutes of Health (NIH); National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK): NIDDK Mentored Research Scientist Development Award (K01)

Notice seeking applications to provide support and protected time (three, four, or five years) for an intensive, supervised career development experience in the biomedical, behavioral, or clinical sciences leading to research independence. Applications are due February 12, June 12, and October 12 annually. Program expires September 8, 2017. The number of awards is contingent upon NIH appropriations and the submission of a sufficient number of meritorious applications.

Links: [Solicitation](#), [Grants.gov](#)

• U.S. Department of Health and Human Services (HHS); National Institutes of Health (NIH); National Institute of Environmental Health Sciences (NIEHS); Division of the National Toxicology Program (DNTP): Support for Research on Retroviral Pathogenesis, Treatment, and Prevention

Notice seeking applications to support research on retroviral pathogenesis, treatment, and prevention.

Links: [FBO notice](#)

**SCIENCE, TECHNOLOGY, ENGINEERING, and MATHEMATICS**

• National Aeronautics and Space Administration (NASA): ROSES 2014: Planetary Science and Technology Through Analog Research

Notice seeking proposals for investigations focused on exploring the relevant environments on Earth in order to develop a sound technical and scientific basis to conduct planetary research on other solar system bodies. Step-1 proposals are due July 25, 2014. Step-2 proposals are due September 26, 2014. Approximately up to $6 million is available to support 10 to 12 awards.

Links: [Solicitation](#), [Grants.gov](#)

• National Science Foundation (NSF); Directorate for Engineering (ENG); Division of Civil, Mechanical and Manufacturing Innovation (CMMI): Sensors, Dynamics, and Control

Notice seeking proposals to support fundamental research on the analysis, measurement, monitoring and control of complex dynamical and structural systems, including development of new analytical, computational and experimental tools, and novel applications to engineered and natural systems. Proposals are due September 15, 2014. The next deadline for proposals is February 17, 2015.

Links: [Solicitation](#), [Grants.gov](#)
• National Science Foundation (NSF); Directorate for Mathematical and Physical Sciences (MPS): Experimental Nuclear Physics

Notice seeking proposals that supports research at the frontiers of nuclear science, including: properties and behavior of nuclei and nuclear matter under extreme conditions, and/or as they relate to astrophysical phenomena; the quark-gluon basis for the structure and dynamics of hadrons and nuclei; phase transitions of nuclear matter from normal nuclear density and temperature to the predicted high-temperature quark-gluon plasma; and basic interactions and fundamental symmetries. Proposals are due October 29, 2014 and the Last Wednesday in October, annually thereafter.

Links: [Solicitation](#), [Grants.gov](#)

• National Science Foundation (NSF); Directorate for Mathematical and Physical Sciences (MPS): Experimental Gravitational Physics

Notice seeking proposals supporting research at the frontiers of science aimed towards answering questions about the nature of space and time, the gravitational attraction at atomically small and cosmological large distances and the use of gravitational waves to explore the universe. Proposals are due October 29, 2014 and the Last Wednesday in October, annually thereafter.

Links: [Solicitation](#), [Grants.gov](#)

• National Science Foundation (NSF); Directorate for Mathematical and Physical Sciences (MPS): Physics at the Information Frontier

Notice seeking proposals providing support for physics proposals in three subareas: 1) computational physics, 2) data enabled physics, and 3) quantum information science and revolutionary computing. Proposals are due December 4, 2014 and the First Thursday in December, annually thereafter.

Links: [Solicitation](#), [Grants.gov](#)

• National Science Foundation (NSF); Directorate for Mathematical and Physical Sciences (MPS): Theoretical Elementary Particle Physics

Notice seeking proposals encompassing different theoretical tools for understanding the interaction of elementary particles at different energy scales. These include String Theory, Quantum Field Theory, Lattice Field Theory, Effective Field Theories, and Phenomenology based on the above theoretical tools. Proposals are due December 4, 2014 and First Thursday in December, annually thereafter.

Links: [Solicitation](#), [Grants.gov](#)

• National Science Foundation (NSF); Directorate for Mathematical and Physical Sciences (MPS): Particle Astrophysics

Notice seeking proposals supporting university research in many areas of particle astrophysics, including the study of ultra-high energy particles reaching Earth from beyond our atmosphere, experiments or research and development projects for underground facilities and non-accelerator-based experiments studying the properties of neutrinos. Proposals are due October 29, 2014 and Last Wednesday in October, annually thereafter.

Links: [Solicitation](#), [Grants.gov](#)

• National Science Foundation (NSF); Directorate for Mathematical and Physical Sciences (MPS): Experimental Atomic Molecular and Optical Physics

Notice seeking proposals encompassing four sub-areas of this broad discipline: Precision Measurements, Atomic and Molecular Dynamics, Atomic and Molecular Structure, and Optical Physics. Proposals are due October 29, 2014 and Last Wednesday in October, annually thereafter.

Links: [Solicitation](#), [Grants.gov](#)

• National Science Foundation (NSF); Directorate for Mathematical and Physical Sciences (MPS): Accelerator Science

Notice seeking proposals that support and foster research at universities that exploits the educational and discovery potential of basic accelerator physics research, and allows the development of transformational discoveries in this crosscutting academic discipline. Proposals are due February 4, 2015 and First Wednesday in February, annually thereafter.

Links: [Solicitation](#), [Grants.gov](#)

• National Science Foundation (NSF); Directorate for Mathematical and Physical Sciences (MPS): Experimental Elementary Particle Physics

Notice seeking proposals to explore the fundamental nature of matter, energy, space, and time. Proposals are due October 29, 2014 and Last Wednesday in October, Annually Thereafter.

Links: [Solicitation](#), [Grants.gov](#)
• National Science Foundation (NSF); Directorate for Social, Behavioral and Economic Sciences; SBE Office of Multidisciplinary Activities: Science of Science and Innovation Policy Doctoral Dissertation Research Improvement Grants

Notice seeking proposals to advance the scientific basis of science and innovation policy. Research funded by the program thus develops, improves and expands models, analytical tools, data and metrics that can be applied in the science policy decision making process. Proposals are due September 22, 2014, September 9, 2015, and September 9, annually thereafter. Approximately $60,000 is available to support one to three awards.

Links: Solicitation, Grants.gov

• U.S. Department of Commerce (DOC); National Oceanic and Atmospheric Administration (NOAA); Oceanic and Atmospheric Research (OAR): NOAA Climate Program Office - Understanding Climate Impacts on Fish Stocks and Fisheries to Inform Sustainable Management

Notice seeking applications to improve understanding, projection, and management of the impacts of climate variability and change on fish stocks and fisheries in the U.S. Northeast Shelf Large Marine Ecosystem (NESLME). Also seeking proposals to develop a workshop focused on bringing together scientists to promote interdisciplinary partnerships and discuss and prioritize future research needs to advance understanding of the impacts of climate variability and change on fish or other species that support economically important fisheries in the U.S. Letters of intent are strongly encouraged by July 14, 2014. Applications are due September 12, 2014. Approximately $1.5 million is available to support multiple awards.

Links: Grants.gov

• U.S. Department of Defense (DOD); Defense Advanced Research Projects Agency (DARPA): Blue Wolf Proposers' Day

Notice announcing a Proposers' Day to provide information to potential proposers on the objectives of the Blue Wolf program in advance of a planned Broad Agency Announcement (BAA). The Proposers' Day will be held on July 10, 2014, from 8:30 am to 4:00 pm, ET, at the DARPA Conference Center, 675 N Randolph St., Arlington, VA. Advance registration is required by July 3, 2014.

Links: FBO notice

• U.S. Department of Defense (DOD); Department of the Air Force; Air Force Research Lab: AFRL/RXM Manufacturing Technology Open BAA

Notice seeking white papers and potentially technical and cost proposals that focus on strengthening defense manufacturing capabilities and efficiencies and transitioning capability to the factory floor. White papers may be submitted anytime until June 24, 2019. Approximately $46.5 million is available to support multiple awards.

Links: FBO notice, Grants.gov

• U.S. Department of Defense (DOD); National Geospace-Intelligence Agency (NGA): Nongovernment Experts Initiative

Notice seeking information on how an interested contractor could meet objectives defined in the solicitation and allow NGA analysts and scientists access to nongovernment experts on various subjects of interest to NGA on an as-needed basis. Responses are due July 24, 2014.

Links: FBO notice

• U.S. Department of Defense (DOD); Other Defense Agencies; Defense Human Resources Activity (DHRA): DLNSEO Applied Linguist Consultation

Notice seeking proposals for The Defense Language and National Security Education Office (DLNSEO) applied linguist services for consultation on Defense Language Program (DLP) tests. Successful proposals shall provide the personnel, management and materials necessary to conduct domain analyses of English language use at follow-on training sites in order to inform ECL development. Proposals are due July 28, 2014. Approximately $19 million is available in funding. Eligibility is unrestricted.

Links: FBO notice

• U.S. Department of Energy (DOE); Office of Fossil Energy (FE): Promoting Domestic and International Consensus on Fossil Energy Technologies

Notice seeking applications for the program areas: 1) Carbon Capture and Storage and Clean Energy Systems; 2) International Oil and Natural Gas. Questions are due by July 8, 2014. Applications are due July 23, 2014. Approximately $7 million is available to support one award for program area one, and $2 million is available in support to one award for program area two, each for a period of five years.

Links: Grants.gov
**U.S. Department of Homeland Security (DHS); Division of Coast Guard:** Mechanized Ice Management System For Recovery of Oil in Ice

Notice extending the due date for receipt of proposals from July 2, 2014 to July 8, 2014. Applications are due July 8, 2014. Eligibility is unrestricted.

Links: [FBO notice](#)

**U.S. Department of State; Bureau of International Security and Nonproliferation; Office of Cooperative Threat Reduction (ISN/CTR):** Global Nuclear Security Effectiveness Study

Notice seeking proposals that will assess the effectiveness of Partnership for Nuclear Security (PNS) engagement in Morocco. This analysis will provide policymakers with solid empirical basis to assess PNS? effectiveness, devise new initiatives where needed, and choose among different policy options to meet future programmatic needs. Applications are due July 14, 2014. Approximately $370,000 is available to support one award. ISN/CTR prefers proposals submitted by individuals or organizations which are not currently involved in implementing nonproliferation engagement activities on behalf of ISN/CTR.

Links: [Solicitation](#), [Grants.gov](#)

**U.S. Environmental Protection Agency (EPA); Office of Research and Development (ORD):** National Priorities: Systems-Based Strategies to Improve The Nation’s Ability to Plan And Respond to Water Scarcity and Drought Due To Climate Change

Notice seeking applications that take a systems view to investigate how drought (seasonal and prolonged), exacerbated, by climate change, may impact surface water and groundwater quality and availability. Applications are due August 5, 2014. Approximately $4 million is available to support four awards. Each applicant must contribute a minimum 25 percent non-federal match.
