**ARTS, HUMANITIES AND INTERNATIONAL**

- **U.S. Agency for International Development (USAID)**: 2014 Draft IFRP Product RFA Draft
  Notice seeking public comment on the production, packaging, and stockpiling of shelf-stable food commodities. Public comments are due on October 6, 2014.
  
  Links: [Grants.gov](https://www.grants.gov)

- **U.S. Department of State (DOS); Bureau of South and Central Asian Affairs**: Establishment of the Edmund S. Muskie Graduate Internship Program
  Notice seeking applications to promote mutual understanding and foster democratization and the transition to market economies in Eurasia through intensive professional education. Applications are due September 4, 2014. Approximately up to $600,000 is available to support one award.
  
  Links: [Grants.gov](https://www.grants.gov)

- **U.S. Department of State (DOS); U.S. Mission to India**: GBV TechCamp
  Notice seeking proposals to hold a GBV TechCamp that will bring together technologists and women's activists in a workshop format. The TechCamp will train participants on the different ways they can use online tools to promote women’s safety, raise awareness, and change attitudes to end gender-based violence (GBV). Applications are due September 2, 2014. Approximately $120,000 is available to support one award.
  
  Links: [Grants.gov](https://www.grants.gov)

**EDUCATION and ECONOMIC AND COMMUNITY DEVELOPMENT**

- **U.S. Department of Commerce (DOC)**: FY15 Coral Reef Conservation Program Domestic Coral Reef Department of Commerce
  Notice seeking applications to support coral reef conservation projects in shallow water coral reef ecosystems, including reefs at mesophotic depths, in American Samoa, the Commonwealth of the Northern Mariana Islands, Florida, Guam, Hawaii, Puerto Rico, the U.S. Virgin Islands, and coral-dominated banks in U.S. portions of the Gulf of Mexico. Proposals must address at least one of four categories: 1) Fishing Impacts; 2) Land-Based Sources of Pollution; 3) Climate Change; and 4) Local and Emerging Management Issues. Applications are due January 7, 2015. Approximately $1 million is available for awards with an average size of $50,000 to support projects lasting 12 or 18 months. Awards require a 100% match.
  
  Links: [Grants.gov](https://www.grants.gov)

- **U.S. Department of Education (ED); Office of Special Education and Rehabilitative Services (OSERS)**: Rehabilitation Training: Job-Driven Vocational Rehabilitation Technical Assistance Center
  Notice seeking applications to meet the priority of: job-driven vocational rehabilitation technical assistance center. Applications are due September 18, 2014. Approximately $3 million is available to support one award with duration of up to 36 months.
  
  Links: [Grants.gov](https://www.grants.gov)

- **U.S. Department of Health and Human Services (HHS); Health Services and Research Administration (HRSA)**: National Forum for State and Territorial Chief Executives (National Forum)
  Notice seeking applications to convene high level decision makers representing state/territorial governors, their policy advisors, and state, federal, health and human services providers, and private sector interests around issues of importance to state and territory governments.
  
  Links: [Grants.gov](https://www.grants.gov)
**HEALTH and MENTAL HEALTH**

- **U.S. Department of Health and Human Services (DHS); Centers for Disease Control and Prevention (CDC):** Accelerating Comprehensive HIV/AIDS Service Delivery through Health Systems Capacity Building and Technical Assistance to District Health Teams and Health Facilities in Western and West-Nile Regions in the Republic of Uganda under the President's Emergency HIV/AIDS Service Delivery through Health Systems Capacity Building and Technical Assistance to District Health Teams and Health Facilities in Western and West-Nile Regions in the Republic of Uganda under the President's Emergency

Notice seeking applications to support district health teams and health facilities to accelerate provision of comprehensive and high quality HIV/AIDS services in western and west-Nile districts of Uganda in order to ensure continuity of services, minimize new infections and improve the quality of life of people living with HIV. Applications are due October 4, 2014. Approximately $10 million is available to support one or two awards for projects lasting up to five years.

Links: Grants.gov

- **U.S. Department of Health and Human Services (HHS); Centers for Disease Control and Prevention (CDC):** Laboratory Systems Strengthening Services to Countries in the Southeast Asia and Pacific Regions Supported by the President's Emergency Plan for AIDS Relief (PEPFAR)

Notice seeking applications to support PEPFAR countries to strengthen integrated laboratory networks and systems in a sustainable manner to provide quality diagnostic tests to meet PEPFAR goals for prevention, treatment, and care of HIV-infected persons and the broader health system. Applications are due September 25, 2014. Approximately $1 million is available to support one award.

Links: Grants.gov

- **U.S. Department of Health and Human Services (HHS); Centers for Disease Control and Prevention (CDC):** Request for Nominations of Candidates To Serve on the Healthcare Infection Control Practices Advisory Committee (HICPAC)

Notice seeking nominations for members to serve on HICPAC. Members will provide advice regarding the practice of infection control and strategies for surveillance, prevention, and control of health care-associated infections, antimicrobial resistance and related events in settings where healthcare is provided. More information on HICPAC can be found at http://www.cdc.gov/hicpac/about.html Nominations should be submitted to hicpac@cdc.gov by September 30, 2014.

Links: Federal Register

- **U.S. Department of Health and Human Services (HHS); Centers for Disease Control and Prevention (CDC):** Announcement of Requirements and Registration for Million Hearts Hypertension Control Challenge

Notice seeking challenge entries identifying clinicians, clinical practices, and health systems that have exceptional rates of hypertension control. Submissions are due October 10, 2014. More information on challenge guidelines can be found at www.millionhearts.hhs.gov. Up to 20 individual clinicians, clinical practices or health systems will be awarded $2,000 and be recognized as Million Hearts Hypertension Control Champions.

Links: Federal Register

- **U.S. Department of Health and Human Services (HHS); Centers for Disease Control and Prevention (CDC):** Building Capacity along the Continuum from Prevention to Care and Treatment for Key Populations in the Central America Region under the President's Emergency Plan for AIDS Relief (PEPFAR)

Notice seeking applications to assist ministries of health in Central America in leading, managing, coordinating, and implementing national responses to their respective concentrated epidemics while sustaining programmatic quality and coverage goals. Funding will support regional activities in 2 geographic clusters: Cluster A (Guatemala, Nicaragua, and Costa Rica) and Cluster B (Belize, El Salvador, Honduras, and Panama). Applicants must submit a separate application and budget for each geographic area they intend to implement. Applications are due October 4, 2014. Approximately one or two awards of up to $1.5 million are available to support projects lasting up to five years.

Links: Grants.gov

- **U.S. Department of Health and Human Services (HHS); Food and Drug Administration (FDA):** Brain-Computer Interface Devices for Patients with Paralysis and Amputation; Public Workshop; Request for Comments

Notice announcing a public workshop entitled "Brain-Computer Interface (BCI) Devices for Patients With Paralysis and Amputation" to obtain public feedback on scientific, clinical, and regulatory considerations associated with BCI devices. The workshop will be held on November 21, 2014, from 8:30 am to 5:30 pm, ET, at FDA's White Oak Campus, 10903 New Hampshire Ave., Building 31 Conference Center, the Great Room (rm. 1503), Silver Spring, MD. The workshop will also be webcast. Those interested in attending or viewing the webcast must register online by November 12, 2014.

Links: Federal Register
• U.S. Department of Health and Human Services (HHS); Food and Drug Administration (FDA): Food Advisory committee; Notice of Meeting

Notice announcing a public advisory committee meeting of the Food and Drug Administration (FDA) to discuss science issues surrounding susceptible life stages or populations and the circumstances under which FDA might decide to conduct a separate risk assessment for these populations. The meeting will also be broadcast. Those interested in commenting should notify the contact by December 8, 2014. The meeting will be held on December 16 and 17, 2014, from 8:30 am to 5:00 pm, ET, at FDA's White Oak Campus, 10903 New Hampshire Ave., Building 31 Conference Center, the Great Room (rm. 1503), Silver Spring, MD.

Links: Federal Register

• U.S. Department of Health and Human Services (HHS); Food and Drug Administration (FDA); Office of Orphan Products Development: Clinical Studies of Safety and Effectiveness of Orphan Products Research Project Grant (R01)

Notice seeking applications for clinical development of products for use in rare diseases or conditions where no current therapy exists or where the proposed product will be superior to the existing therapy. Applications are due February 4, 2015, February 3, 2016, February 1, 2017, and February 7, 2018. Approximately $4.1 million is available to support up to 10 new awards.

Links: Federal Register

• U.S. Department of Health and Human Services (HHS); National Institutes of Health (NIH); Multiple Institutes: Prevention of Lower Urinary Tract Symptoms in Women: Bladder Health Scientific and Data Coordinating Center (PLUS-SDCC) (U01)

Notice seeking applications to establish a multi-center, multi-disciplinary consortium to be known as the Prevention of Lower Urinary tract Symptoms (PLUS) Research Consortium. This FOA expands NIH's research emphasis from treatment of women with established lower urinary tract symptoms (LUTS) to prevention of LUTS. Letters of intent are requested by October 20, 2014. Applications are due November 20, 2014. Approximately $4.5 million is available.

Links: Solicitation, Grants.gov

• U.S. Department of Health and Human Services (HHS); National Institutes of Health (NIH); National Institute of Allergy and Infectious Diseases (NIAID): Staged Vaccine Development

Notice seeking proposals for further development of the current leading HIV vaccine platforms. NIAID's primary areas of interest are: recombinant HIV protein, POX virus, DNA vaccines, replication defective adenovirus vectors, replication competent viral vectors, and adeno-associated virus (AAV) vectors. Proposals are due September 3, 2014. Up to six awards with seven-year duration are anticipated.

Links: FBO notice

• U.S. Department of Health and Human Services (HHS); National Institutes of Health (NIH); National Institute of Child Health and Human Development (NICHD): Improving Health through Rehabilitation Robotic Technology (R43/R44)

Notice seeking proposals for the translation of rehabilitation robotic technology to assist health care providers and individuals in need of rehabilitation. Letters of intent are requested by October 13, 2014. Applications are due November 13, 2014. Approximately $900,000 is available to support up to four awards. Eligibility is limited to small businesses, but opportunities exist for collaborations with colleges and universities.

Links: Solicitation, Grants.gov

• U.S. Department of Health and Human Services (HHS); National Institutes of Health (NIH); National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK); Office of Research on Women's Health (ORWH): Prevention of Lower Urinary Tract Symptoms in Women: Bladder Health Clinical Centers (PLUS-CCs) (U01)

Notice seeking applications to establish a multi-center, multi-disciplinary consortium to be known as the Prevention of Lower Urinary tract Symptoms (PLUS) Research Consortium. This FOA expands NIH's research emphasis from treatment of women with established lower urinary tract symptoms (LUTS) to prevention of LUTS. Letters of intent are requested by October 20, 2014. Applications are due November 20, 2014. Approximately $4.5 million is available.

Links: Solicitation, Grants.gov

• U.S. Department of Health and Human Services (HHS); National Institutes of Health (NIH); National Institute of Mental Health (NIMH): National Institute of Mental Health; Notice of Meeting

Notice announcing a public meeting to enable public discussion of NIMH's proposal to merge the Division of Adult Translational Research with the Division of Translational Research. This proposal seeks to capitalize on emerging scientific opportunities, while reducing barriers to scientific and interdisciplinary collaboration. The meeting will be held on August 28, 2014, in the form of a webinar posted on YouTube. Go to www.nimh.nih.gov/TransResOrgChange to view the presentation. The email address will remain available through September 3, 2014, for comments on the reorganization.

Links: Federal Register
• U.S. Department of Health and Human Services (HHS); National Institutes of Health (NIH); National Institute of Neurological Disorders and Stroke (NINDS): Centers Without Walls for Collaborative Research in the Epilepsies: Developing Disease Modifying or Prevention Therapies (U54)

Notice seeking applications for the development of an Epilepsy Center without Walls (C WOW) focused on multidisciplinary, collaborative research to further the development of disease modifying or prevention therapies for epilepsy. Letters of intent are requested by October 6, 2014. Applications are due November 6, 2014. Approximately $9 million is available to support two awards over a five year period.

Links: Solicitation, Grants.gov

• U.S. Department of Health and Human Services (HHS); National Institutes of Health (NIH); National Institute on Aging (NIA): Grants for Early Medical/Surgical Specialists Transition to Aging Research (GEMSSTAR) (R03)

Notice seeking applications to provide support for early-stage physician-scientists, trained in medical or surgical specialties, to launch careers as future leaders in research on aging or in geriatrics. Letters of intent are requested by September 28, 2014. Applications are due October 28, 2014. Approximately $1.7 million is available to support 15 awards.

Links: Solicitation, Grants.gov

• U.S. Department of Health and Human Services (HHS); National Institutes of Health (NIH); National Institute on Aging (NIA): MD-PhD Training Program in Aging and the Social/Behavioral Sciences (T32)

Notice seeking applications designed to help strengthen the pipeline of physician scholars dedicated to using social and behavioral science approaches to addressing the nation's challenges raised by population aging. Letters of intent are requested by October 7, 2014. Applications are due November 7, 2014. Approximately $800,000 is available to support four T32 awards.

Links: Solicitation, Grants.gov

• U.S. Department of Health and Human Services (HHS); National Institutes of Health (NIH); Office of Research on Women's Health (ORWH): Office of the Director, National Institutes of Health; Notice of Meeting

Notice announcing a meeting scheduled to discuss the current scope of research on women’s health and the influence of sex and gender on human health, efforts to understand the issues related to women in biomedical careers, and the current status of inclusion of women in clinical trials research. The meeting will be held September 24, 2014 from 8:00 am to 4:00 pm at National Institutes of Health, Building 31, Room 6C, 31 Center Drive, Bethesda, MD. A live webcast may be viewed.

Links: Federal Register

• U.S. Department of Justice (DOJ); Office of Justice Programs (OJP): Meeting of the National Coordination Committee on the AI/AN SANE-SART Initiative

Notice announcing a meeting of the National Coordination Committee on the American Indian/Alaska Native (AI/AN) Sexual Assault Nurse Examiner (SANE)/Sexual Assault Response Team (SART) Initiative to carry out its mission to provide advice to assist the Office for Victims of Crime (OVC) to promote culturally relevant, victim-centered responses to sexual violence within AI/AN communities. The meeting will be held via webinar on Friday, September 12, 2014. The webinar is open to the public for participation, but space is limited. Notify the contact to register.

SCIENCE, TECHNOLOGY, ENGINEERING, and MATHEMATICS

• National Science Foundation (NSF); Directorate for Biological Sciences; Biological Sciences Advisory Committee: Advisory Committee for Biological Sciences; Notice of Meeting

Notice announcing a meeting scheduled to discuss graduate education in biology, broadening participation, the Committee of Visitors reports for the Divisions of Biological Infrastructure, Integrative Organismal Systems and Molecular and Cellular Biosciences, and other matters. The meeting will be held September 10, 2014, from 8:30 am to 5:00 pm, ET, and September 11, 2014, from 8:30 am to 2:00 pm, ET, at National Science Foundation, 4201 Wilson Blvd., Room 1235, Arlington, VA. Attendees must call the contact or email jwoodruf@nsf.gov to arrange for a visitor’s badge at least 24 hours before the meeting. Badges are distributed at the N. 9th and N. Stuart Streets entrance on the day of the meeting.

Links: Federal Register

• National Science Foundation (NSF); Multiple Directorates: IUSE/Professional Formation of Engineers: Revolutionizing Engineering Departments

Notice seeking proposals to lead the nation by successfully achieving significant sustainable changes necessary to overcome long-standing issues in their undergraduate programs and educate inclusive communities of engineering students prepared to solve 21st century challenges. Letters of intent are required by October 28, 2014. Proposals are due November 26, 2014. Approximately $11.96 million is available to support 5 to 10 awards.

Links: Solicitation, Grants.gov
• Office of Management and Budget (OMB): Request for Comments on Digital Services Playbook and TechFAR Handbook

Notice of public comment period on the Obama administration’s Digital Services Playbook and the TechFAR Handbook, which were developed to improve the delivery of digital services by the Federal Government. Please provide comment through the open source repository on GitHub by reviewing the documents and response dates posted at the following links: http://playbook.cio.gov; http://playbook.cio.gov/techfar/.

Links: Federal Register

• U.S. Department of Commerce (DOC); Bureau of the Census: Census Scientific Advisory Committee

Notice announcing a meeting to discuss science, data, and methodology pertaining to the U.S. Census. The meeting will be held September 18, 2014 from 8:30 am to 5:15 pm, ET, and September 19, 2014, from 8:30 am to 12:30 pm, ET at the U.S. Census Bureau Auditorium, 4600 Silver Hill Road, Suitland, MD. To attend, register by September 11, 2014 at http://www.regonline.com/csac_meeting_sep2014. Call 301/763-9906 upon arrival at the Census Bureau on the day of the meeting.

Links: Federal Register

• U.S. Department of Commerce (DOC); National Institute of Standards and Technology (NIST): Forensic Science Center of Excellence Program

Notice seeking applications to establish a Forensic Science Center of Excellence (COE) in which NIST researchers collaborate with interdisciplinary researchers from academia and industry for the wide-spread adoption of probabilistic methods within the forensic science community, specifically in the areas of pattern evidence and digital evidence, by developing the necessary analytical methods, creating a suitable education and training infrastructure in probabilistic methods for the relevant stakeholders, and engaging the forensic science community to promote competence building. Applications are due December 11, 2014. Approximately $4 million per year may be available to support one multi-year award.

Links: Solicitation, Grants.gov

• U.S. Department of Commerce (DOC); National Institute of Standards and Technology (NIST): Small Business Innovation Research (SBIR) Technology Commercialization Assistance Program (TCAP)

Notice seeking applications to provide technical assistance to help commercialize projects from NIST SBIR Phase I and/or Phase II recipients. Applications are due September 23, 2014. One award of up to $50,000 per year is available to support a project lasting up to five years.

Links: Grants.gov

• U.S. Department of Commerce (DOC); National Oceanic and Atmospheric Administration (NOAA): FY15 Coral Reef NGO Partnership

Notice seeking proposals to establish partnerships with the NOAA Coral Reef Conservation Program (CRCP) to further the conservation of U.S. coral reefs. Proposals are due on November 19, 2014. Approximately $7 million total is available for up to four awards over an 18-month period. Awardees are required to match NOAA’s Federal contributions with non-Federal matching contributions at a minimum ratio of 1:1 unless the applicant is granted a waiver by the agency.

Links: Grants.gov

• U.S. Department of Commerce (DOC); National Oceanic and Atmospheric Administration (NOAA); National Marine Fisheries Service (NMFS); Fiscal Year 2015 NOAA Gulf of Mexico Bay- Watershed Education and Training (B-WET) Program

Notice seeking proposals under the Gulf of Mexico B-WET Program, which promotes locally relevant, experiential learning in the K-12 environment. Funded projects provide Meaningful Watershed Educational Experiences (MWEEs) for students, related professional development for teachers, and help to support regional education and environmental priorities in the Gulf of Mexico. Applications are due October 24, 2014. Approximately $700,000 is available to support up to seven awards.

Links: Grants.gov

• U.S. Department of Commerce (DOC); National Oceanic and Atmospheric Administration (NOAA); National Ocean Service (NOS): 2015 Ecological Effects of Sea Level Rise Program

Notice seeking proposals to improve the management of regional and local ecosystem effects of sea level rise and coastal inundation through targeted research on key technologies, natural and nature-based infrastructure, physical and biological processes, and model evaluation. Proposals are due November 18, 2014. Approximately up to $200,000 per year is available to support up to five two to three year awards.

Links: Grants.gov
• U.S. Department of Commerce (DOC); National Oceanic and Atmospheric Administration (NOAA); National Ocean Service (NOS): 2015 Northern Gulf of Mexico Ecosystems and Hypoxia Assessment Program (NGOMEX); Glider Application to Gulf of Mexico Hypoxic Zone Monitoring: Pilot Study and Transition to Operations

Notice seeking research applications for pilot studies to test application of gliders to measure dissolved oxygen in the large hypoxic zone along the northern Gulf of Mexico continental shelf and, within two years, complete a comprehensive plan to transition to operations the deployment of gliders for hypoxic zone monitoring east and west of the Mississippi delta, to complement shipboard and fixed observing system monitoring. Applications are due November 18, 2014. Approximately $125,000 is available per year to support up to two awards.

Links: Grants.gov

• U.S. Department of Commerce (DOC); National Oceanic and Atmospheric Administration (NOAA); National Ocean Service (NOS): Center for Sponsored Coastal Ocean Research, Fiscal Year 2015 National Competitive HAB Programs

Notice seeking proposals for the Ecology and Oceanography of Harmful Algal Blooms Program, the Monitoring and Event Response for Harmful Algal Blooms Program and the Prevention, Control and Mitigation of Harmful Algal Blooms Program. Letters of intent are required by September 30, 2014. Proposals are due December 15, 2014. Approximately $2 million is available to support up to eight awards with duration of between two and five years.

Links: Grants.gov

• U.S. Department of Defense (DOD); Department of the Army: Night Vision Technologies

Notice seeking proposals against a broad range of night vision technologies which support the Warfighter and challenges of Asymmetric Warfare. Science and Technology Proposals are due November 5 and March 4 each year. Ground Combat System Proposals are due October 8, each year. Modeling and Simulation Proposals are due December 3, April 8, and August 5, each year. The solicitation expires in FY 2019.

Links: Grants.gov

• U.S. Department of Defense (DOD); Scientific Advisory Board (SAB); Strategic Environmental Research and Development Program (SERDP): Strategic Environmental Research and Development Program, Scientific Advisory Board; Notice of Federal Advisory Committee Meeting

Notice announcing a meeting to review new start research and development projects requesting Strategic Environmental Research and Development Program funds in excess of $1 million over the proposed length of the project. The meeting will be held September 10, 2014, from 9:00 am to 4:30 pm, ET, at 901 N. Stuart Street, Suite 200, Arlington, VA.

Links: Federal Register

• U.S. Department of Defense (DOD); U.S. Department of the Air Force (AF); Air Force Research Laboratory (AFRL): High-Powered Electromagnetics (HPEM) Concept Assessment and Technical Studies

Notice seeking information to help the Air Force investigate and advance the state-of-the-art knowledge in HPEM technology; specifically in the application of High Peak Power, High Average Power, and High Powered Millimeter wave systems. Responses must be sent to the address below and must be received by September 20, 2014. AFRL Det 8/RVKDP, ATTN: PEARL SOLANO, 3550 Aberdeen Ave. SE Kirtland AFB, NM 87116-5776

Links: FBO notice

• U.S. Department of Energy (DOE); Idaho Field Office: FY15 Consolidated Innovative Nuclear Research

Notice seeking applications to promote integrated and collaborative research conducted by national laboratory, university, industry, and international partners under the direction of NE's programs. Letters of Intent (Mandatory only for NSUF Applications) are due September 11, 2014. Pre-Application (Mandatory except for IRPs) are due October 2, 2014. Applications are due February 19, 2015. Award amounts vary by the four funding areas.

Links: Grants.gov

• U.S. Department of Energy (DOE); Idaho Operations Office: FY2015 Scientific Infrastructure Support for Consolidated Innovative Nuclear Research (CINR)

Notice seeking applications to upgrade and improve the U.S. University nuclear research and training reactors and to contribute to strengthen the academic community's nuclear engineering infrastructure. Applications are due February 2, 2015. Approximately $6.5 million is available to support 22 awards.

Links: Grants.gov
• U.S. Department of Energy (DOE); Office of Energy Efficiency and Renewable Energy: Request for Information on Landscape Design for Sustainable Bioenergy Systems

Notice seeking comments from bioenergy stakeholders on a request for information (RFI) on landscape design approaches that integrate cellulosic bioenergy feedstock production into existing agricultural and forestry systems while maintaining or enhancing environmental and socio-economic sustainability including ecosystem services and food, feed, and fiber production. Responses should be sent to the contact by September 2, 2014. The RFI is available at https://eere-exchange.energy.gov.

Links: Federal Register

• U.S. Department of Interior (DOI); U.S. Fish and Wildlife Service (USFWS): National Fish, Wildlife, and Plants Climate Adaptation Strategy; Teleconference of the Joint Implementation Working Group

Notice announcing a meeting to discuss the National Fish, Wildlife, and Plants Climate Adaptation Strategy (Strategy) which is intended to inspire and enable natural resource professionals and other decision makers to take action to conserve the nation’s fish, wildlife, plants, and ecosystem functions, as well as the human uses and values these natural systems provide, in a changing climate. The agenda is scheduled to include a discussion of the first Strategy Implementation Progress Report, future approaches to implementation, comments from stakeholders, and planning for the Fall-2014 in-person meeting. The meeting will be held via teleconference on September 15, 2014, from 1:00 pm to 3:00 pm, ET. To take part, call 877/913-8254 and enter passcode 5547760. To view conference materials go to http://tinyurl.com/lwc4bqx and enter the above passcode if requested. Future meetings will only be announced at http://www.wildlifeadaptationstrategy.gov/
