

## Request for Extension of the 8 year limit for Master's degrees

Submit signed original to the Graduate School  
(205 Administration Building)

Name		Student ID				
Date		Degree				
Program						
<p>Grad. Council (11/13/09): Courses over 15 years old will not be considered for an extension of the 8-year limit unless there are truly exceptional circumstances. In that case, programs must require a written examination from the student as part of the certification of currency of knowledge. Programs that have questions about the best means for measuring currency of knowledge should contact the Dean of the Graduate School.</p> <p><b>The program requests an extension of the eight-year limit for the following coursework:</b></p>						
Institution	Prefix	Course #	Course Title	Sem & Yr Taken	Grade	Hours

<p><b>Please state how Currency of Knowledge has been certified for the coursework above:</b></p>

**A statement of support from the program must accompany this form.**
