Parts and Equipment Bill for the Robotics Club

This is a bill to allocate $1281.57 from the Senate Operating Account to assist the Robotics Club in modernizing its manufacturing processes and to fund the procurement of parts necessary for the successful build of 7 robots.

Whereas, the Robotics Club is registered with the Office of Student Involvement and Leadership;

Whereas, the success of the Robotics Club is necessary to the UNO community because of the awards and educational opportunities it provides to our students;

Whereas, the previous bill passed to fund the robotics club allowed us to grow from 2 to 5 teams, successfully 3D print our own chassis parts, and successfully win last year’s regional competition;

Whereas, the Robotics Club has grown in membership so that we can now build 7 robots rather than last year’s 5;

Whereas, graduating seniors leaving the Robotics Club are taking personal tools with them;

And whereas, innovations in heat management, battery management, and circuit board manufacturing justify the procurement of these specific parts;

BE IT ENACTED BY THE UNIVERSITY OF NEW ORLEANS STUDENT GOVERNMENT ASSOCIATION THAT:

I. THE AMOUNT OF $1281.57 BE ALLOCATED FROM THE SENATE OPERATING ACCOUNT TO THE ROBOTICS CLUB FOR THE PROCUREMENT OF THESE PARTS.

II. THE ROBOTICS CLUB SHALL REPORT BACK TO THE STUDENT GOVERNMENT ASSOCIATION WITHIN 30 DAYS UPON RECEIPT OF THESE PARTS.

III. ALL UNUSED FUNDS SHALL REVERT BACK TO THE STUDENT GOVERNMENT ASSOCIATION AT THE END OF THE CURRENT FISCAL YEAR.

IV. SEE ATTACHED BUDGET AND JUSTIFICATION DOCUMENT.

AMENDMENT

University of New Orleans
Student Government Association Senate

Bill Number: B.S.18A002 Amendment Number: 001
Author: Michael Ceraso
Date of Meeting: 2/5/18

Amendment Wording:

- Replace $31 UV light station with $8 version
- Replace $15 Picture Frame Glass with a $5 version
- Replace $13 Head Shrink Tubing with a $7 version

- Add 2 sets of iGaging Digital calipers at a total of $80.

These 4 changes are reflected on attached wishlist and bring the total to $1,224.63. This is a $56.94 savings from the original bill.
