Re: Special Meals Approval

---

Past Presidents' Luncheon
I am requesting that a special meal exemption be granted for the Past Presidents' Luncheon in the amount of $400.23.

This luncheon provided a unique opportunity to make connections with alumni who have already done so much for our university, and provided these alumni with new insight into the state of affairs of the university from both the perspective of University President and the President of the Student Government.

I feel that events like this will continue to be an integral part of our growing future here at the University of New Orleans, which is why I am asking that you grant this exemption.
