A Procedural Amendment

This is a procedural amendment to change the way voting shall be conducted by the Senate altering the use of “Yea” and “Nay” to “Yes” and “No” respectively.

Whereas, the current use of “Yea” and “Nay” has due to their audible similarity has caused errors in voting many times over many Senates.

Whereas, the current use of “Yea” and “Nay” has resulted in the use of many other alternative answers to voting, which could be considered invalid votes.

Whereas, the current use of “Yea” and “Nay” may be changed to “Yes” and “No” by a Procedural Amendment to end this issue.

Whereas, “Yes” and “No” clearly defines the decisions and choices of the Senator who speaks them.

Whereas, it is the opinion of the SG Vice President, Governance Chair, and Governance Committee that this change will benefit the Senate and Student Government at large.
