PREFACE

This handbook is designed to facilitate the initiation and growth of student organizations and includes pertinent information about policies, procedures, and resources that affect organizations, advisors, student members and their operations within the University. The Office of Student Involvement and Leadership (SIL) believes that participation in a student organization is one of the most rewarding ways in which a student can be involved. Registered Student Organizations (RSO's) are a vital part of campus life and affords students the opportunity to interact with others at the University, while fostering learning outside the classroom.

DEFINITION OF A STUDENT ORGANIZATION

A "registered" student organization at the University of New Orleans is defined as any student organizational group that meets the following criteria:

- Established in order to contribute to students' personal interests and development
- Meets all registration requirements as outlined in this handbook
- Annually registered with the Office of Student Involvement & Leadership
- Understands and adheres to university policies and procedures governed by the Office Student Involvement & Leadership as well as local, state and federal laws

PARTICIPATION IN REGISTERED STUDENT ORGANIZATIONS

The Office of Student Involvement and Leadership annually registers student organizations that complement the mission of the university and enhance the quality of education outside the classroom. Registration does *not* imply endorsement of the organizations' activities and actions by the university. Registration is a privilege that may be withdrawn for violation of university policies, procedures, student conduct code, and state, local and federal laws. Any violation of these policies should be reported immediately to the Office of Student Involvement and Leadership (UC 222, 504-280-6349) and the Office of Student Affairs (UC 248, 504-280-6222).

SECTION 1: REGISTERING YOUR ORGANIZATION

STUDENT ORGANIZATION REGISTRATION

Registration Process

The University of New Orleans has established a process for registration of student organizations in order to: ensure the rights of UNO students to freely form associations, define the relationship between the University and organizations, ensure the requirements for registration, and verify that the privileges received through registration and the policies and procedures that govern UNO Student Organizations are administered in a fair and nondiscriminatory manner.

There are two types of registration – **re-registration** and **“new” registration**. Typically, the registration process for a student organization takes 2 weeks for approval. Notification of registration approval will be sent by e-mail to the organization’s president, advisor, and contact person within 10 business days. Delays may occur if all requirements are not completed by the organization. In this case, registrants will be notified on what requirements have not been met.

Information for Organizations

There are basic questions that must be answered in order to form a student organization. Before you begin the registration process there are several factors that should be considered in order to effectively manage your organization.

PURPOSE:

- How will your organization be defined?
- What are your proposed goals?
- What are you hoping to accomplish?
- What role do you want to play?
- How will you pick an advisor?
- Is there a department with whom you can or will be affiliated?

MEMBERSHIP

- Are there other people you already know who would want to join?
- How are you going to identify and recruit others? How will you convince them to join?
- What will this organization have to offer? Can other people find this elsewhere?
- What kind of commitment will members have to make?
- What makes this organization unique?

How to Register Your Organization

Getting started on the right foot will make your organization run smoothly. The following guidelines give you step-by-step procedures for establishing a student organization. Follow them carefully, and feel free to ask questions. Any SIL staff member can provide you with assistance.

STEP ONE: Selecting Members and a Faculty/Staff Advisor

All registered student organizations (RSO's) at the University of New Orleans must have (5) UNO student members and an advisor who is a member of university faculty or professional staff. This individual can provide you with valuable experience and ideas that will help your organization function. Certain university documents will require your advisor's authorization and signature. For more information concerning the role and responsibilities of an advisor, see page 9.

STEP TWO: Complete Student Organization Registration Form

The *Student Organization Registration Form* can be accessed at <http://sil.uno.edu/forms/>. Paper forms are available upon request. Upon completion of this form and receiving a confirmation email, your organization will be able to receive resources and services provided by the Office of Student Involvement and Leadership and the University of New Orleans. For a list of resources, see page 6.

STEP THREE: Submit a Constitution

Upon completion of the *Student Organization Registration Form*, return this form along with a constitution to the Office of Student Involvement & Leadership. **Incomplete applications will not be processed.** Organizations re-registering must have a constitution less than 5 years old on file in order to be approved. A model constitution can be found on at <http://sil.uno.edu/forms/>

Every student organization must include the following statements in their constitution:

1. *Statement of Name*
2. *Statement of Purpose*
3. *Statement of Membership*
4. *Statement of Non-Discrimination*
5. *Statement of No Hazing*
6. *Statement of Executive Officers*
7. *Statement of Duties of Executive Officers*
8. *Statement of Removal, Resignation, Vacancies*
9. *Statement of Standing Committees*
10. *Statement of Advisor*
11. *Statement of Meetings*
12. *Statement of Elections*
13. *Statement of Dues*
14. *Statement of Amendments*
15. *By-laws*

STEP FOUR: Approval & Notification

The Office of Student Involvement and Leadership must approve all "New" Registered Student Organizations or Re-Registering Student Organizations. If the Organization Registration Form has been properly completed (e.g., registration form is filled out correctly, the organization has an advisor, the organization has at least 5 members, a current constitution is on file) then the organization will be contacted via email regarding their approval. Failure to meet the requirements will result in the denial of your organization being registered. RSO's seeking approval will also be required to have a minimum of (1) officer and/or advisor attend a **RSO Orientation Meeting**. Information regarding these orientations is disseminated via UNO email as they are scheduled.

Conditions of Registration

The following conditions of registration are required for student organization approval:

1. Complete and return the Organization Registration Form to the SIL Office.
2. The organization has 5 current UNO student members and has at least one (1) advisor who is either University faculty or professional staff for the entirety of the academic year.
3. No organization rules, constitution, or by-laws conflict with the university policies and procedures. In addition, that the purpose and activities of the organization are not in violation of local, state or federal laws.
4. The mission of the registering organization is not a replication of a current RSO.
5. A group seeking recognition must not: be a commercial enterprise or be an unsolicited and or unrecognized auxiliary of a larger organization.
6. That those persons who have signed the Organization Registration form have been elected or appointed to serve in the capacities listed according to the organization's constitution, and by signing this form assume responsibilities of such offices, and registered agents.
7. The executive board members of the organization are full-time, UNO students in good standing (i.e., not on Academic Warning, Academic Suspension or Indefinite Academic Suspension/Dismissal) with the University and have at least a 2.0 GPA.
8. That the "Authorized and Responsible Agents" (including executive board members and advisors) are authorized to act for the Organization in its relations with the University. UNO Faculty and Staff are required advisors.
9. That in the event the organization is delinquent in a financial obligation, the authorized and responsible agents are responsible for resolving the financial obligation. If not resolved, the payment shall be assumed by the organization's advisor(s). Usage of university facilities and services will be terminated until financial obligations have been resolved.
10. That membership and leadership is not limited on the basis of age, color, race, gender, religion, national origin, sexual orientation or physical ability, economic status, political persuasion, veteran status or weight. However, as long as no student is excluded from participation the following organizations are exempt whose primary purpose is as follows:
 - a. Social fraternities and sororities may select members based on gender. (See Regulations under Title IX of the Education Amendments of 1972.)
 - b. Religious-based organizations may use beliefs as criteria for selection of membership to the extent outlined in its constitution and by-laws which state that it is affiliated with a specific religion or doctrine, or church and whose primary purpose is to promote and espouse certain beliefs that are religious in nature. Furthermore, a religious-based organization **cannot** discriminate on the basis of, nor inquire about the religious background or beliefs of students for admission into its meetings.
 - c. Academic Organizations may limit and/or select members based on academic criteria that may include academic major/minor, GPA, year in school, talent/skills etc. as outlined by the academic department on the local, state or national levels.
11. Organizations engaging in business or activities cannot represent the institution without prior approval, including but not limited to scholarship, fundraising, endorsements, advertising or promotional items such as t-shirts using the University name and logo.

Organizations seeking approval must contact the SIL Office and the Office of Communications, Public Relations and Marketing.

Special Conditions of Registration

Sororities and Fraternities: Organizations interested in chartering as sororities or fraternities will be referred to the Office of Student Involvement & Leadership for additional requirements.

Deactivation: If an organization decides to dissolve or becomes inactive, SIL should be notified as soon as possible. The office will then inform all necessary departments and personnel.

Reactivation: If a previously inactive organization wishes to re-activate, student representatives will need to contact the Office of Student Involvement & Leadership. The office will advise the student organization of the necessary procedures to complete the re-registration process.

Benefits of Registration

6. Chapters of national organizations must be registered to operate on campus and are subject to additional recognition policies and procedures by their national organization and administrators in the Office of Student Involvement & Leadership.

Notification of Organizational Changes

In an effort to keep files current, RSO's should notify the Office of Student Involvement and Leadership **within 10 working days** of changes in the organization's status during the academic year (e.g., advisors, officers, phone number, web address, constitution and/or bylaw changes).

Withdrawal of Organization

Organizations are subject to University regulations and policies, RSO and Advisor's Handbook, and local, state and federal law. Students, University employees and the public may initiate disciplinary action against a student organization for alleged violation of such policies and regulations.

Registration status can be **withdrawn** by the Office of Student Involvement and Leadership and further university disciplinary actions can occur for any, but not limited to, the following reasons:

- Violations of University policies, procedures and regulations (e.g. University of Louisiana System's Policies or the RSO and Advisor's Handbook);

FINANCIAL DISCLOSURE

The University of New Orleans reserves the right to request a financial report and as such, Registered Student Organizations may be subject to auditing of their financial transactions, expenditures and receipts by the Office of Student Involvement & Leadership.

RISK, LEGAL LIABILITY AND LIABILITY RELEASE

The University of New Orleans does not assume liability for a Registered Student Organization's financial transactions, group activities, or the actions of individual or group members. It is understood by the University that students are adults; and, that the organizations to which they belong are expected to obey the University policies, state and federal laws, and take responsibility for their conduct. The University recognizes that students and student organizations are not agents of the University and the University will not assume any responsibility for them on or off campus. The University cautions that student organizations can be disciplined if their conduct threatens or causes disorder, causes public disturbances, danger to themselves and others, or property damage. For more detailed information, please see APPENDIX D: RISK MANAGEMENT.

FACULTY/STAFF LEGAL LIABILITY

UNO Faculty and Staff who agree to serve as an advisor for a Registered Student Organization does assume the potential risk of legal liability for actions of the student organization. While no specific statement can be made regarding an advisor's liability for a student organization, proven negligence is usually the basis for a judgment against a person serving in such a capacity. Although legal action against an UNO Faculty or Staff is a rare occurrence, advisors should be made aware of the risks involved when serving in an advisory capacity; adhere to university policies and procedures; be well informed concerning the plans, behavior and actions of the student organizations and/or members in order to reduce the potential for legal action to be taken

TAX EXEMPT STATUS

Registered Student Organizations are registered by the University as independent and separate from the University, conducting itself as a non-profit entity. Registered Student Organizations are considered independent and autonomous from the University and therefore do not have access to the University's tax exempt status. The only exemptions are those registered student organizations "sanctioned" by the university (for example: Student Government, Student Activities Council, etc.).

Solely the taxing authorities do not grant recognition of Non-Profit status or Tax-Exempt status. **Non-Profit** status can be a state law concept. **Non-Profit** status may make an organization eligible for benefits such as sales tax, property, and income tax exemptions. An organization requesting **Tax-Exempt** or **Non-Profit** status must go through a federal and/or state application process.

To qualify as **Tax-Exempt** from federal taxes, an Organization must meet requirements set forth in the Internal Revenue Code. For more information see **Types of Tax-Exempt Organizations** or **Publication 557** on the **IRS Website at www.irs.gov**. The IRS also has excellent resource material on the life cycle of a tax-exempt entity on its website that explains the appropriate procedures that an Organization must take to be tax-exempt and to maintain its exemption.

TAX ID NUMBER OR EMPLOYER IDENTIFICATION NUMBER (EIN#)

Any Registered Student Organization that engages in raising or spending money will need to maintain proper financial accounts and records of their transactions. The financial accounts and records should not be the same as any individual or member accounts. Registered Student Organizations can request a Federal Taxpayer ID or EIN # specific to their student organization. The Registered Student Organization should file Form SS-4 with the IRS to apply for this number.

FREE SPEECH POLICY

The University of New Orleans adopts a Freedom of Expression Policy having as its principal interests the preservation of the academic environment and safety of its students, faculty, and staff, maintaining traffic control, preserving the appearance of the campus, preventing fraud and deception, and eliminating unnecessary expenses.

The University of New Orleans is committed to fostering a learning environment where free inquiry and expression are encouraged. The University expects that persons engaging in expressive activities will demonstrate civility, concern for the safety of persons and property, respect for University activities, respect for those who may disagree with their message, and compliance with University policies and applicable local, state and federal laws.

The University of New Orleans maintains the right to regulate expressive activities on its campus through reasonable time, place, and manner restrictions. Unlawful, lewd, vulgar, or indecent activities disruptive to the normal operations of the University, including classes and University business activities, will not be tolerated by the University. The purpose of the University of New Orleans' Freedom of Expression Policy is to provide for expressive activity to be conducted on designated grounds of the University in a manner consistent with First Amendment principles. Groups or individuals engaging in the type of non-protected activities described above or failing to comply with other University policies or applicable local, state, and federal laws may face immediate removal from the campus and other appropriate actions by University officials and University police.

It is the intention of the University of New Orleans that any portion of this policy deemed to be in violation of the First Amendment be declared severable and that the remaining policy provisions be continued in effect. The Freedom of Expression Policy is applicable to the University of New Orleans students, faculty, staff, and others who wish to engage in extracurricular public speaking, the distribution of literature, poster displays, sign displays, and any other type of graphic exhibitions, expressive performances, petitioning, or similar activities at designated locations on University property. This policy does not apply to official University activities. Except as otherwise designated below, University grounds and buildings are intended for use by the University of New Orleans students, faculty, and staff. Expressive activities permitted under this policy do not imply official endorsement by the University. Groups or individuals engaged in expressive activities are responsible for the content of the expression.

DISTRIBUTION OF LITERATURE POLICY

The University recognizes that the student's right as a citizen to speak and write freely is protected by the First Amendment. Printed material may be distributed on campus by a student or registered student organization in an orderly manner to those who wish to receive it as long as the material is not obscene, vulgar, libelous, or a form of harassment and is free from non-permissible solicitation. Distribution must be conducted so as not to interfere with free and unimpeded flow of pedestrian and vehicular traffic, or to disturb or interfere with academic or institutional activities.

Other procedures governing the distribution of literature on campus are as follows:

1. All literature distributed on campus by a student or a student organization shall identify the student or organization distributing it.
2. No student or student organization may distribute literature by accosting individuals or by hawking or shouting.
3. No student or student organization may use the University's name or symbols in identifying the publisher of printed matter distributed on the campus without the express authorization of the University.
4. A student organization distributing printed materials on campus shall clean the area around which the materials were distributed.
5. All literature distributed must be in English, or have English translations printed, as well.

SOCIAL MEDIA POLICIES

The use of social media is increasingly common for university departments, students, and employees. These communication tools have the potential to create a significant impact on organizational and professional reputations. The University of New Orleans has developed policies to properly portray, promote and protect the institution. For more information, please see APPENDIX E: SOCIAL MEDIA POLICIES.

DEMONSTRATION OR MASS PROTEST POLICY

Students or student organizations planning to picket or engage in any type of demonstration or mass protest must notify the Office of Student Affairs (UC 248), at least 24 hours prior to the proposed activity. The notification is necessary so that University personnel are aware of this type of activity and are able to ensure the safety of all participants involved. However, involvement in campus demonstrations which disrupts the normal operations of the University and infringe on the rights of others is a University violation.

DRUG & ALCOHOL POLICY

It is the expectation of the Office of Student Involvement and Leadership that the consumption of alcohol at organization-sponsored events be responsible and in accordance with University policy and state/federal law. Consumption of alcohol by individuals under 21 and drug use is prohibited. For more information, please see APPENDIX F: ALCOHOL AND DRUG POLICIES.

SECURITY

Organizations hosting the event with alcohol must arrange security with UNO Police Department (UNO PD) to be present for the duration of the event, including 30 minutes before and 30 minutes following the event. UNO PD requires at least two weeks advance notice. Outside security companies may only be used with the permission of UNO PD. The University reserves the right to determine the number of officers and other security measures required for the activity. Organizations that fail to arrange security through UNO PD are subject to University sanctions, including the loss of campus privileges.

WEAPONS ON CAMPUS POLICY

The University of New Orleans, as part of the University of Louisiana System, is designated as a “Firearm-Free Zone” as defined in Louisiana Law Revised Statute 14:95.6, which states “a firearm-free zone is an area inclusive of any school campus and within one thousand feet of any such campus, and within a school bus. According to Louisiana Law Revised Statute 14:95.2, the definition of a “school” is any elementary, secondary, high school, vocational-technical school, college, or university in this state.

For more information, see APPENDIX F: WEAPONS AND FIREARMS ON CAMPUS.

STATEMENT OF AWARENESS & SENSITIVITY

A fundamental principle of the University of New Orleans is that there be an environment of mutual tolerance and respect, which is free of hostility toward, discrimination against, or harassment of any person based on race, color, religion, sex, disability, national origin, age, sexual orientation, marital or veteran status, or any other status protected by law. Every member of the university community is held strictly accountable for his or her behavior with regard to this standard.

Registered Student Organizations must prohibit discriminatory and/or culturally insensitive language, behavior and content from their sponsored activities. All RSO’s are encouraged to strive for awareness and sensitivity in all programs, activities, publications, advertisements and services offered that may have a negative impact on the University, any individual(s), and/or group, as they relate to race, color, religion, sex, disability, national origin, age, sexual orientation, marital or veteran status, or any other status protected by law

The Office of Student Involvement and Leadership will monitor and review Registered Student Organizations sponsored activities to assist in identifying and eliminating any inappropriate language content from activities, advertisement, publications, and policies deemed discriminatory or insensitive in nature.

ANTI-HAZING POLICY

All members of the University community must be provided the opportunity to function to the best of their individual abilities. One activity that has been an inhibiting factor in achieving the above stated purpose is the practice of hazing. Although hazing has concentrated itself in the social Greek community, other Student Organizations are not untouched by this unacceptable practice.

In addition to the enforcement of this Hazing Policy regarding student organizations, the University may initiate appropriate disciplinary action against individual students for violations of the Student Conduct Code arising from the incident.

Please see APPENDIX H: ANTI-HAZING POLICY for the full policy.

ORGANIZATION FUNDING & FUNDRAISING INITIATIVES

The Office of Student Involvement and Leadership does not provide funding for Registered Student Organizations' activities and events. However, Registered Student Organizations may submit a budget request or complete bills for funding through Student Government.

Registered Student Organizations *may* implement fundraising activities to support the mission of their organization. Fundraising is defined as *to include all events and activities through which funds are collected by a registered student organization. Fundraising by definition, does not exclude solicitation of donations or events or activities, which produce no profits after expenses.* Fundraising is typically limited to bake sales and car washes with prior approval from the Office of Student Involvement and Leadership. To arrange other forms of fundraising, organizations must schedule an appointment with a SIL staff member for approval.

UNO NAME/LOGO USAGE POLICY & PURCHASE OR SALE OF UNO MERCHANDISE

The purpose of the UNO Name/Logo Usage Policy is to protect and regulate the use of the University's Name, slogans, logos and official insignia.
