

## Home Institution Approval Form (UNO, LSU and UGA students are not required to complete this form.)

## Please select the study abroad program you wish to attend:

□ Innsbruck International Summer School (summer) □ Academic Year Abroad in Innsbruck, Austria (semester or year)

**To the student**: An important element of your application to study at The University of New Orleans is securing the approval of your home institution to study abroad. This form is designed to facilitate that process. This form is intended for your Study Abroad Advisor, Dean, or other responsible official on campus to approve your participation in a study abroad program. Please indicate whether or not you waive your right of access, sign below and give the form to the appropriate official. That person should return the form directly to The Division of International Education at The University of New Orleans.

## Name of Applicant (Please Print)

I \_\_\_\_\_\_\_ (Please Print) authorize the completion of this form and ask that it be sent directly to the Division of International Education, University of New Orleans. I understand that this document will be used to evaluate my qualifications for University of New Orleans study abroad programs and will be part of my application file.

Date

Signature

To the student's university official responsible for approving participation in study abroad programs: This student is applying to study abroad with the University of New Orleans. We ask that all students receive approval of their home institution. At the completion of the program, UNO will send official transcripts to the student's home institution. Does this student have your approval to study at the University of New Orleans program indicated above?

n order to study on our program, students must be able to	transfer letter grades back to their home institution.
Will the grades earned be accepted by your institution? $\Box$ Y	es 🛛 No. If no, please explain
Will the credits earned be accepted by your institution? $\Box$ Y	No. If no, please explain
