PC Installation ([Online Quick Start Guide](#))

Download

- Download the PC software, installer, from **http://www.impatica.com/products/imp4ppt/windows.html**
- Once downloaded, double-click on the fi le **"setupppt.exe"**
- Follow the instructions on the Installation Wizard

Registration

- Launch Impatica for PowerPoint by double clicking on your Start Menu or desktop icon.
- Click on the **"Registration Code…"** button.
- Enter your license details exactly as they were provided to you, including spaces, punctuation and case sensitivity. For example, if the registration information states the name field as:
  > **Name:** User1
  > Enter "User1" for the name, not "user 1", "user1" or "Joe Smith".
  > The same applies to the Organization and Registration Code fields.

MAC Installation ([Online Quick Start Guide](#))

Download

• Download the software from **http://www.impatica.com/products/imp4ppt/mac.html**
• Once the download of **"impatica-ppt.dmg"** is complete, the fi le will automatically mount itself.
   The mounted volume will be named "Impatica for PowerPoint". If it does not automatically mount, double click
   the **Impatica-ppt.dmg** fi le;
• Open the mounted volume by selecting it from the Desktop or in the fi nder. You should see a folder called "Impatica
   for PowerPoint {version number}". Click and drag the folder to the "Applications" folder on your hard drive to
   complete the installation.

Registration

• Launch Impatica for PowerPoint by double clicking on the Impatica for PowerPoint icon in your Applications folder.
   You may also choose to drag the icon to your dock.
• Click on the **"Registration Code…"** button.
• Enter your license details exactly as they were provided to you, including spaces, punctuation and case sensitivity. For
   example, if the registration information states the name field as:
Name: User1
Enter "User1" for the name, not "user 1", "user1" or "Joe Smith".
The same applies to the Organization and Registration Code fields.
