HEALTH and MENTAL HEALTH

CDMRP Psychological Health and Traumatic Brain Injury Research Program, Prevention Research to Reduce Sexual Assault and-or Understand Adjustment Disorders, Investigator-Initiated Focused Research Award

Army (Army), Department of Defense (Defense), U.S. Army Medical Research Acquisition Activity (USAMRAA)

Notice seeking applications to research the development or adaptation of prevention efforts to reduce the occurrence of sexual assault and/or harassment and/or (2) understanding the diagnosis, assessment, and screening of adjustment disorders as a consequence of sexual assault and/or stressors that precipitate adjustment disorders.

Pre-applications are due September 19, 2019. Full applications are due October 3, 2019. Approximately \$5 million is available for four awards to support projects up to five years.

LINKS: [Grants.gov](#)

Comprehensive Alcohol Research Centers (P60 Clinical Trial Optional)

National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Institute on Alcohol Abuse and Alcoholism (NIAAA)

Notice seeking applications to provide leadership in conducting and fostering interdisciplinary, collaborative research on a wide variety of topics relevant to the Institute's mission. These topics include, but are not limited to: the nature, etiology, genetics, diagnosis, treatment, and prevention of alcohol use disorder, alcohol-related end organ diseases and their biomedical, psychosocial, and economic consequences across the lifespan and racial/ethnic groups and other health disparity populations.

Optional letters of intent are due 30 days prior to the application due date. Applications are due November 14, 2019. Approximately \$2 million is available to support one award.

LINKS: [Grants.gov](#), [Solicitation](#)

NIA Program Project Applications (P01 Clinical Trial Optional)

National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Institute on Aging (NIA)

Notice seeking applications addressing scientific areas relevant to the NIA mission. Each application submitted to this FOA must include at least three related research projects that share a common central theme, focus, and/overall objective and an administrative core to lead the project.

Optional letters of intent are due 30 days prior to the application due date. Applications are due annually on January 25, May 25, and September 25. Program expires May 26, 2022.

LINKS: [Grants.gov](#), [Solicitation](#)

Meeting of the Advisory Committee on Heritable Disorders in Newborns and Children
Health Resources and Services Administration (HRSA), Department of Health and Human Services (HHS)

Notice announcing a meeting scheduled to include experts from the fields of public health, medicine, heritable disorders, rare disorders, and newborn screening in discussion of the following agenda items: (1) a review of the Recommended Uniform Screening Panel condition nomination and evidence review process; (2) updates on screening methodologies; (3) rare disease registries; (4) linking data resources; and (5) workgroup updates.

The meeting will be held August 1, 2019 from 9:00 a.m. to 5:00 p.m. and August 2, 2019 from 9:00 a.m. to 3:00 p.m., ET at 5600 Fishers Lane, Rockville, MD and via webcast. Register to view the webcast at the Agency Site.

LINKS: [Federal Register](#), [Agency Site](#)

Air Force Research Laboratory Airman Systems Directorate - Request for Information
Department of Defense (Defense)

Notice seeking information on technologies capable of monitoring and alerting pilots regarding potential concerns with their physiological state in flight.

Responses are due January 3, 2020. An industry day will be held February 7, 2020. To attend, register with the contact.

LINKS: [FBO](#)

Biorepository of Lung Disease-Specific Human Induced Pluripotent Stem Cells
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Heart, Lung and Blood Institute (NHLBI)

Notice seeking capability statements to build and support a critical national biorepository of normal and lung disease-specific induced pluripotent stem cells (iPSCs), as well as their differentiated progeny, to serve the lung research community. The project will focus on the development, characterization, and distribution of lung iPSC lines and associated progeny to facilitate the understanding of both normal human lung development and disease pathobiology.

Capability statements are due July 26, 2019.

LINKS: [FBO](#)

DoD Restoring Warfighters with Neuromusculoskeletal Injuries Research Award (RESTORE)
Army (Army), Department of Defense (Defense)

Notice seeking applications to provide support for research of exceptional scientific merit that proposes solutions for optimal management, treatment, and restoration following Service-related neuromusculoskeletal injury.

Required pre-applications are due September 3, 2019. Applications are due December 16, 2019.

SCIENCE, TECHNOLOGY, ENGINEERING, and MATHEMATICS

Defense Production Act Title III Expansion of Domestic Production Capability and Capacity
Department of Defense (Defense)

Notice seeking applications to develop projects in three broad topic areas: 1) Sustainment of Critical Production: Create, maintain, protect, expand, or restore industrial base capabilities essential for national defense; 2) Commercialize Research and Development Investments (R&D): Transition government sponsored R&D to commercial applications and commercial R&D to national defense applications; 3) Scale Emerging Technologies: Increase use and rapid transition of emerging technologies in national security program applications.

White papers will be considered through July 12, 2024. Approximately \$5 billion is available, with a required 50 percent cost share, to support two projects lasting up five years. This FOA is a two-part process encompassing a call for white papers and invited proposals. Classified white papers are not accepted under the DoD Defense Production Act Title III Program.

LINKS: [Grants.gov](#), [FBO](#)

Economic Research and Analysis of the National Need for Technology Infrastructure to Support the Internet of Things (IoT) Amendment 1
National Institute of Standards and Technology (NIST), Department of Commerce (Commerce)

Notice seeking applications to assess the potential economic impacts, resulting from Federal research investments, of meeting the Nation's need for technology infrastructure to support the Internet of Things.

Applications are due August 13, 2019. Approximately \$400,000 is available for one award to support a project lasting up to two years.

LINKS: [Grants.gov](#), [Agency Site](#)

Securing Information for Encrypted Verification and Evaluation (SIEVE)
Defense Advanced Research Projects Agency (DARPA), Department of Defense (Defense)

Notice seeking proposals to investigate innovative approaches that enable revolutionary advances in science, devices, or systems in relation to zero-knowledge proofs for complex, DoD-relevant capabilities in three key areas: 1) Constructing Useful ZK Statements; 2) Building Efficient ZK Proof Generation Compilers; and 3) Post Quantum ZK.

DARPA will host a Proposers Day on July 17, 2019. Abstracts are due July 31, 2019. Proposals are due September 20, 2019.

LINKS: [Grants.gov](#), [Solicitation](#)

2019 Space Community of Interest Independent Research and Development Technology Interchange Meeting
Department of Defense (Defense)

Notice announcing a meeting open to academic and industry participants scheduled to discuss the following areas of interest to the U.S. Department of Defense: satellite communications; missile defense, missile warning, ant attack assessment; positioning, and navigation, timing; intelligence, surveillance, and reconnaissance; space control and situational awareness; space access; space and terrestrial environment; satellite command and control operations; space resilience; and space enablers.

The meeting will be held November 18-22, 2019. To attend, send an expression of interest to dtic.belvoir.ecm.list.space@mail.mil by September 9, 2019.

LINKS: [FBO](#), [Agency Site](#)

Defense Established Program to Stimulate Competitive Research (DEPSCoR)
Department of Defense (Defense), Air Force Office of Scientific Research (AFOSR)

Notice seeking proposals for basic research collaborations between a principal investigator mentee who has not received DoD funding before, and a mentor who has received funding in the last seven years. Limited eligibility by state (see announcement).

White papers are due October 25, 2019. Approximately six awards of up to \$600,000 each are anticipated.

LINKS: [Grants.gov](#)

FY2020 Marine Debris Removal
National Oceanic and Atmospheric Administration (NOAA), Department of Commerce (Commerce)

Notice seeking applications to support the development and implementation of locally-driven, marine debris prevention, assessment, and removal projects that benefit coastal habitat, waterways, and NOAA trust resources. Projects awarded through this grant competition will create long-term, quantifiable ecological benefits and habitat improvements for NOAA trust resources through on-the-ground marine debris removal activities, with highest priority for those targeting derelict fishing gear and other medium- and large-scale debris.

Required letters of intent are due September 4, 2019. Proposals are due December 4, 2019. Approximately \$2.5 million is available to support 8 to 15 awards. Applicants must provide a minimum 1:1 ratio of non-federal matching contributions.

LINKS: [Grants.gov](#)

Ocean Exploration Advisory Board (OEAB)
National Oceanic and Atmospheric Administration (NOAA), Department of Commerce (Commerce)

Funding Opportunities

Notice announcing a meeting of the Ocean Exploration Advisory Board. The OEAB advises NOAA leadership on strategic planning, exploration priorities, competitive ocean exploration grant programs and other matters as the NOAA Administrator requests.

The meeting will be held Wednesday, July 31, 2019 from 9 a.m. to 5 p.m. ET and Thursday, August 1, 2019 from 9 to 5 p.m. ET. The meeting will be held at Consortium for Ocean Leadership, 1201 New York Avenue NW, Suite 420, Washington, DC.
