

## UNO FOCUS:

Faculty Innovation & Focused Research Awards  
2019 Sony Research Award Program

This Research Award Program provides funding for cutting-edge academic research and helps build a collaborative relationship between faculty and Sony researchers. With awards up to \$150,000 per year for each accepted proposal, both the Faculty Innovation Award and Focused Research Award create new opportunities for university faculties to engage in pioneering research that could drive new technologies, industries, and the future.

Sony accepts applications from Principal Investigators (PIs) who are full-time professors (adjunct professors are not eligible) or researchers and are eligible to supervise Ph.D. students at a university/educational institution in the USA or Canada. Full professors, associate professors, and assistant professors are eligible to apply.
