

LSUHSC – New Orleans Nursing Program

Listed below are the prerequisite courses for admission to the Bachelor of Science in Nursing Program at the LSU Health Sciences Center School of Nursing in New Orleans.

Program requirements are determined by LSUHSC. Admission to the program is on a competitive basis.

Applicants must have a minimum GPA of 3.0 (on a 4.0 scale) on all pre-nursing courses. A grade of B or better must be achieved in all science pre-nursing courses. A grade of C or better must be achieved in all non-science prerequisites. If a student receives a D or F in a pre-nursing course, it may be repeated only once. Failure of any pre-nursing course twice makes an applicant ineligible for admission.

Applicants must complete 37 hours of required prerequisite courses. Of the 37 required hours, only 16 of those hours (below) must be completed prior to the application deadline and appear on the applicant's official transcript. The remaining pre-requisite courses may be in progress at the time the application is submitted. All official transcripts are required.
