## CONNECTING TO A REMOTE DESKTOP SESSION USING A MAC WORKSTATION (i.e. MacBook, iPad, iMac)

1. To use the Remote Desktop Connection feature, you go to the Apple Store to download the App. To find the app, you must type in a search for "Microsoft Remote Desktop".

2. Once you've searched and found the Microsoft Remote Desktop app, you will click the **"Get"** button to download the app.

3. After the Microsoft Remote Desktop app is downloaded, open the app and add the remote desktop to your device. To do so, you click on the plus ("+") button.

4. Click on the "Desktop" Option.
