While we prepare for your arrival, check out some of our frequently asked move in questions...

FAQ: What are your Physical Distancing Measures?

Students are encouraged to wear masks in public, frequently wash hands and maintain at least 6 feet from others for their safety and the safety of others in the community. Occupancy limits in common spaces posted on doors. Guests not allowed until further notice.

FAQ: What should I do to plan my arrival?

Please be on time.

Rapid COVID Testing will be available on campus. Please anticipate an email with available testing times and location. Your check-in time is for you to retrieve your key and have your ID programmed by Office of Residential Life staff at the front desk of your hall.

Limit your guests to assist with move-in to a maximum of two assistants. All persons entering Pontchartrain Halls must wear a mask or facial covering and observe physical distancing policies. All other guests are not allowed in your suite.

FAQ: Can I move in later than February 5th?

If you are unable to move-in between January 25-February 5, please email residentiallife@uno.edu to notify our office of your alternative date.

FAQ: What can I bring to my room or into the Residence Halls?

FAQ: What if my roommate and I do not work out?

Your RA is there to assist you with this portion. At the floor meeting, you will be given a roommate Bill of Rights. This is your time to be open and honest with your roommate about how the suite should be so everyone is comfortable. Remember to compromise and be honest. This way, everyone knows his or her expectations up front.

FAQ: What if it still doesn't work out?

You will contact your RA and there will be a mediation that takes place. After that, you will see your respective Area Coordinator.

FAQ: What is a "room freeze period"?

There is a two-week room freeze period that begins on January 25, 2021 and lasts until February 8, 2021. During this room freeze, residents cannot move or request to move. During this period the Office of Residential Life are working to verify occupancy, so it is important that students stay in their assigned rooms. *We reserve the right to change a student's assignment as outlined in the terms and conditions of the Pontchartrain Hall Agreement.

FAQ: Where can I get tested for COVID-19?

The university will be hosting COVID-19 Rapid Testing in the beginning of the spring semester upon return to the university. The anticipated dates that testing will be held are January 19, 22, 25, 27, 29.

Free drive thru COVID-19 testing at Lakefront area anticipated to continue.

Your Move In Day Map

Your After Move In To Do List:

- Chat with your roommates about your expectations for your suite. The Office of Residential Life encourages roommates to work together to outline things that will impact their comfort in the suite: cleaning, temperature, etc.
- Review your fee bill: ensure fees are paid or your payment plan is established and in good standing with the Bursar's Office.
- Register your Vehicle and Bicycle: gather your registration, license, etc. as your vehicle will have to be registered with the Office of Residential Life and have a semester new decal each semester. Register through your Residential Life App. If you are brought a bicycle to campus, register your bicycle with the Office of Residential Life.
- Meet your Resident Assistant!
- Follow your residential life team on social media!

ResNet

To better serve your IT needs, you now have the ability to make your ResNet request online by simply completing a form. The form is specifically for residents that would like to have a gaming and/or streaming device connected to the ResNet network for use. By completing the form before you arrive to your room, your devices will be ready to connect within a few simple instructions.

To complete the form, you will need to provide:

The MAC address for your gaming and/or streaming devices

Your UNO email address.

Your residence hall assignment (Building, Room Number, & Room Letter Assignment) - ex: P. Hall North 124C

Contact Number (mobile phone preferred)

You can also submit the request by finding the "ResNet Mac Authentication Request" link at [uno.edu/it/resnet](https://www.uno.edu/it/resnet). Look under the ResNet Resources section on the page.

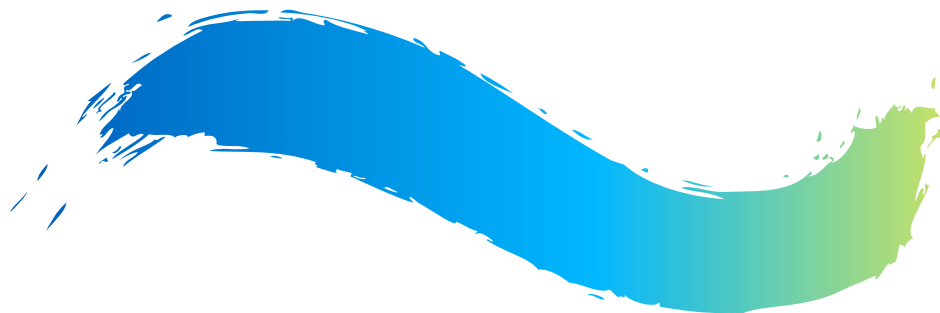

Just Want To Connect To The Internet with your Smartphone and/or Computer?

Please visit the UNO's IT website at <https://www.uno.edu/it/resnet>.

You will find instructions on how to connect to the ResNetSecure network when you arrive to the residence hall. In addition, you can also find instructions for connecting to the network by scanning the QR codes posted on your floor and at the North & South Hall's front desk.
