April 20, 2018

Dr. John Nicklow, President University of New Orleans 2000 Lakeshore Drive New Orleans, LA 70148

Dear Dr. Nicklow:

On April 12, 2018, the Board of Supervisors for the University of Louisiana System approved the following requests from University of New Orleans:

- 1. Request for approval of a Letter of Intent to develop a new academic program leading to a Bachelor of Science in Construction Management.
- 2. Request for approval of a Memorandum of Understanding with Chang'an University Xi'an, Shaanxi, People's Republic of China.
- 3. Request for approval to amend the Contract of Land Lease with the Orleans Parish School Board for the Benjamin Franklin High School site.
- 4. Request for approval to repurpose and rename the Janet Dupuy Colley Professorship in International Studies and the John Dupuy Professorship in Pan American Studies.
- 5. Request for approval of Campus Housing and Meal Plan Rates, Auxiliary Rates, Energy Surcharge, HB152, and Non-Governmental Charges for Academic Year 2018-19.

Enclosed for your records are the Executive Summaries with the resolutions that were approved by the Board along with the approved personnel actions. If you have any questions, please do not hesitate to contact me.

Sincerely

Jeannine Kann

Provost and Vice President for Academic Affairs

ACADEMIC AND STUDENT AFFAIRS COMMITTEE

April 12, 2018

Item F.13. University of New Orleans' request for approval of a Letter of Intent to Develop a New Academic Program leading to a Bachelor of Science in Construction Management.

EXECUTIVE SUMMARY

The University of New Orleans (UNO) requests approval of a Letter of Intent to develop a new academic program leading to a Bachelor of Science in Construction Management (BSCM). Construction Management (CM) is the management of the development and improvement of the built environment from both an engineering and business point of view. It is exercised at a variety of levels from the site and the project, through the corporate organizations of industry and its clients, to society as a whole. CM embraces the entire construction value stream from inception to recycling, focusing upon a commitment to sustainable construction and incorporates a wide range of specialist services. The proposed CM program will complement and enhance existing curricula in the College of Engineering, while fulfilling the needs of the region's construction industry and desires of many students interested in construction as a career.

The 120-credit-hour proposed program will span eight (8) semesters with one required summer internship. The curriculum takes advantage of many existing courses in Engineering and Business and has been designed to comply with expectations set forth by the American Council for Construction Education (ACCE). Courses specific to the discipline (Intro to Construction Management, Construction Materials and Methods, Construction Scheduling, Construction Safety, etc.) will need to be developed. Currently, Construction Management baccalaureate degrees are offered by LSU and the University of Louisiana at Monroe (ULM). These two programs are thriving; their completer rates (three-year average) are 111 and 25, respectively. In discussions with a variety of local construction industry leaders in the Greater New Orleans area, all indicated the need for a local program.

CM has grown to become a complex industry. The construction manager of the past began his or her career in the trades, moving up and finally getting into management after a long multidecade career. That career path is becoming obsolete and, with the retirement bubble on the horizon combined with increasing technical innovation, the need for a higher education construction manager who can begin managing earlier in a career is crucial for today's construction needs. The employment of construction managers is expected to grow 11% faster than the average for all occupations from 2016 to 2026 (Bureau of Labor) with about 46,100 new jobs created nationwide with a median pay of \$89K. The outlook for employment of construction managers is high in Louisiana, with the most growth projected in the lower third of the State (metropolitan New Orleans and Baton Rouge and the entire Louisiana coast), with current employment levels high but the median age of these professionals also high. The program proposed by UNO will fill the needs of the region's construction industry in ways that cannot be met by nonlocal programs.

Executive Summary F.13. April 12, 2018 Page 2

Letters of Support provided by organizations such as GNO, Inc., Palmisano and Woodward Design & Build express a strong desire for UNO to offer a CM degree in order for local workforce needs to be met.

The University anticipates an initial enrollment of 15 in YR1 with the expectation that enrollment will grow to 40 by YR4. In order to reach out to potential students already working in the construction industry, UNO will include coursework responding to current trends in the construction industry related to project delivery methods. The University has already collaborated with fourteen industry partners via GNO, Inc. in order to ascertain local construction industry interest in the proposed program. Their response has been overwhelmingly positive. While smaller construction firms may provide 1 to 2 students per year, larger companies such as Boh Bros., Core Construction, and governmental agencies (USACE and CPRA) will provide 3 to 4 students per year.

As previously mentioned, many courses required by the proposed degree program are already offered at UNO and need no or minimal change. Currently there are several UNO faculty members in Civil Engineering who possess the academic background to provide instructional support; however, the addition of a full-time instructor and a tenure-track position will be necessary. No additional facilities are needed. Overall, the required resources and university investment are minimal. In turn, UNO will be able to offer a high-quality program that will produce graduates who will have access to high earning potential career paths.

RECOMMENDATION

It is recommended that the following resolution be adopted:

NOW, THEREFORE, BE IT RESOLVED, that the Board of Supervisors for the University of Louisiana System hereby approves the University of New Orleans' request for approval of a Letter of Intent to Develop a New Academic Program leading to a Bachelor of Science in Construction Management.

ACADEMIC AND STUDENT AFFAIRS COMMITTEE

April 12, 2018

Item F.14. University of New Orleans' request for approval of a Memorandum of Understanding between the University and Chang'an University Xi'an, Shaanxi, People's Republic of China (PRC).

EXECUTIVE SUMMARY

The University of New Orleans requests approval to enter into a Memorandum of Understanding with Chang'an University Xi'an, Shaanxi, People's Republic of China (PRC). Chang'an University is one of the State "211 Project" key development universities and is directly under the administration of the Ministry of Education. Through its 60 years of development, it has evolved into an influential comprehensive higher institution in China, with engineering as its main discipline focus, combining engineering with sciences, and with multidisciplinary development in economy, management and humanities. The proposed MOU is a joint study initiative intended to create a framework for consideration of future faculty and student exchange, collaborative endeavors, and expansion of scholarly ties and cooperation between the two universities.

RECOMMENDATION

It is recommended that the following resolution be adopted:

NOW, THEREFORE, BE IT RESOLVED, that the Board of Supervisors for the University of Louisiana System hereby approves the University of New Orleans' request for approval of a Memorandum of Understanding between the University and Chang'an University Xi'an, Shaanxi, People's Republic of China (PRC).

FACILITIES PLANNING COMMITTEE

April 12, 2018

Item H.6. University of New Orleans' request for approval to amend the Contract of Land Lease with the Orleans Parish School Board for the Benjamin Franklin High School site.

EXECUTIVE SUMMARY

As allowed by R.S. 17:3361 (2)(a), on February 10, 1987, the University leased 3 parcels of ground (Lots BF1, BF2 and BF3) to the Orleans Parish School Board for the construction and operation of Benjamin Franklin High School. The Contract of Land Lease prohibits the Lessee from constructing any buildings on Lots BF1 and BF3, which were to be used exclusively for playing fields and parking lots. The Lessee has requested approval to construct a Press Box/Concessions/Toilet Room building on Lot BF1. The University is supportive of the modifications to its athletic fields and buildings that the Lessee is proposing. This Amendment 1 changes the lease language to allow buildings to be constructed on Lots BF1 and BF3 with the written approval of the Lessor.

RECOMMENDATION

It is recommended that the following resolution be adopted:

NOW, THEREFORE, BE IT RESOLVED, that the Board of Supervisors for the University of Louisiana System hereby approves the University of New Orleans' request for approval to amend the Contract of Land Lease with the Orleans Parish School Board for the Benjamin Franklin High School site.

BE IT FURTHER RESOLVED, that the University of New Orleans shall obtain final review from UL System staff, legal counsel and shall secure all other appropriate approvals from agencies/parties of processes, documents, and administrative requirements.

BE IT FURTHER RESOLVED, that the President of the University of New Orleans and his or her designee is hereby designated and authorized to execute any and all documents necessary to execute the Lease Amendment.

AND FURTHER, that the University will provide the System office with copies of all final executed documents for Board files.

FINANCE COMMITTEE

April 12, 2018

Item I.5. University of New Orleans' request for approval to repurpose and rename the Janet Dupuy Colley Professorship in International Studies and the John Dupuy Professorship in Pan American Studies.

EXECUTIVE SUMMARY

In 1989, the Louisiana Legislature created the Louisiana Education Quality Support Fund (LEQSF), referred to as "8g," which provides for multiple \$40,000 and \$400,000 grants to be awarded upon receipt of \$60,000 or \$600,000 in private donations for the establishment of an endowed professorship or endowed chair, respectively. The law further requires that the appropriate management board authorize the establishment of such endowed professorships and endowed chairs prior to submission to the Board of Regents for matching funds.

University of New Orleans requests approval to rename the John Dupuy Endowed Professorship in Pan American Studies to the John Dupuy Endowed Professorship in International Studies to reflect its broadened focus on international studies. The University would also like to rename the Janet Dupuy Colley Endowed Professorship in International Studies to the Janet Dupuy Colley Endowed Professorship on the Arts to reflect its new focus on arts.

RECOMMENDATION

It is recommended that the following resolution be adopted:

NOW, THEREFORE, BE IT RESOLVED, that the Board of Supervisors for the University of Louisiana System hereby approves University of New Orleans' request for approval to repurpose and rename the Janet Dupuy Colley Professorship in International Studies and the John Dupuy Professorship in Pan American Studies.

FINANCE COMMITTEE

April 12, 2018

- Item I.6. University of Louisiana System's recommendation to approve Campus Housing and Meal Plan Rates, Auxiliary Rates, Energy Surcharge, and Non-Governmental Charges for Academic Year 2018-19.
 - Grambling State University
 - Louisiana Tech University
 - McNeese State University
 - Nicholls State University
 - Northwestern State University
 - Southeastern Louisiana University
 - University of Louisiana at Lafayette
 - University of Louisiana at Monroe
 - University of New Orleans

EXECUTIVE SUMMARY

The nine universities request approval to increase rates for resident and meal plan services as per the attached schedules. As has been past practice, System staff requested that campuses submit adjustments to their service rates for the upcoming academic year. Campuses consider a number of variables when considering adjustments to rates including contractual obligations, cost of operations, and/or market limitations. Campuses submitted their revised rates based upon their respective service offerings; therefore, campus offerings and rates vary accordingly.

RECOMMENDATION

It is recommended that the following resolution be adopted:

NOW, THEREFORE, BE IT RESOLVED, that the Board of Supervisors for the University of Louisiana System hereby approves the University of Louisiana System's recommendation for Campus Housing and Meal Plan Rates, Auxiliary Rates, Energy Surcharge, and Non-Governmental Charges for Academic Year 2018-19:

- Grambling State University
- Louisiana Tech University
- McNeese State University
- Nicholls State University
- Northwestern State University
- Southeastern Louisiana University
- University of Louisiana at Lafayette
- University of Louisiana at Monroe
- University of New Orleans

Housing: Rates coincide with initial pro forma estimates. They are also consistent with previous years.

Dining Plan Rates	2015-2016	2016-2017	Increase	Percentage
Cowboy with \$225 DB Unlimited Access	1,607	1,687	80	5.0%
Cowgirl with \$245 DB 19 meals/week	1,607	1,687	80	5.0%
Cowpoke with \$265 DB 14 meals/week	1,607	1,687	80	5.0%
Kicker with \$275 DB (apartments only) 5 meals/week	754	792	38	5.0%
Rowdy with \$275 DB 10 meals *Prices rounded up to the next whole dollar.	1,152	1,210	58	5.0%

Meals: Chartwells contract allows increases in consideration of consumer prices indices, balanced with sound fiscal management. These increases are consistent with the contract. Also, this year's rates contain greater declining balance amounts giving students more flexibility.

Commuter Plan 2- all Flex dollars		300	309	12 9	3.0% 3.0%

Rationale-

Requested meal plan prices- Proposed increases comply with Aramark's contractual obligation for the CPI(which is currently 2.1%) but no more than 5%.

Requested Housing Rate increases- Proposed increases would be necessary to comply with established Proforma for bond issue.
