Class Descriptions

Power Hour - This class focuses on all major muscle groups in a boot camp/interval format. Push beyond your limits using your own body weight, dumbbells, and atomic movements for an intense experience!!

Power Hour 2.0 - Same as Power Hour with a greater emphasis on strength.

Minute to WIN It - Using a hybrid of interval training and circuits, participants will complete a series of timed exercises to get a total body workout! This class is sure to get your heart pumping, build strength and push you beyond your limits!

ZUMBA - takes the “work” out of workout, by mixing low-intensity and high-intensity moves for an interval style, calorie burning dance fitness party. ZUMBA is a total body workout, combining all elements of fitness.

Please be prompt for classes. Exercise demonstration, instructions, and warm-ups performed at the beginning of class are very important. We want everyone to have a safe and fun workout experience.
