Amendment Information

General Instructions

Use the table to transfer budgeted funds to and from different ledger accounts within your budget.

The **Remove From** column total must equal the **Add Into** column total. If the totals of these columns do not match, the budget amendment will not be processed. This form does not allow for increasing or decreasing overall budgets.

If the transfer involves equipment, the F&A costs must be re-calculated. If the transfer involves subawards, tuition, or participant costs, the F&A costs may need to be re-calculated.

If the transfer involves salaries, please include the corresponding payroll benefits. Payroll benefits are not assessed on overtime for wage employees, student workers, or graduate assistants.
