Introduction

As a part of our audit of the University of Louisiana System (System) and the Single Audit of the State of Louisiana (Single Audit) for the fiscal year ended June 30, 2019, we performed procedures at the University of New Orleans (UNO) to provide assurances on financial information that is significant to the System’s financial statements; evaluate the effectiveness of UNO’s internal controls over financial reporting and compliance; and determine whether UNO complied with applicable laws and regulations.

Results of Our Procedures

Financial Statements - University of Louisiana System

As a part of our audit of the System’s financial statements for the year ended June 30, 2019, we considered UNO’s internal control over financial reporting and examined evidence supporting certain account balances and classes of transactions as follows:

Statement of Net Position

- **Assets** - Cash and Cash Equivalents, Investments, Due from State Treasury, and Capital Assets
- **Liabilities** - Bonds Payable
- **Net Position** - Net Investment in Capital Assets, Restricted-Expendable, Restricted-Nonexpendable, and Unrestricted

Statement of Revenues, Expenses, and Changes in Net Position

- **Revenues** - Student Tuition and Fees net of Scholarship Allowances, Grants and Contracts, Auxiliary Revenues, State Appropriations, and Federal Nonoperating Revenues
- **Expenses** - Educational and General, and Auxiliary Enterprise

The account balances and classes of transactions tested, as adjusted, are materially correct.
Federal Compliance - Single Audit of the State of Louisiana

As a part of the Single Audit for the year ended June 30, 2019, we performed procedures as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) on information submitted by UNO to the Division of Administration’s Office of Statewide Reporting and Accounting Policy for the preparation of the state’s Schedule of Expenditures of Federal Awards (SEFA).

UNO’s information submitted for the preparation of the state’s SEFA is materially correct.

Trend Analysis

We compared the most current and prior-year financial activity using UNO’s Annual Fiscal Reports and/or system-generated reports and obtained explanations from UNO’s management for any significant variances. We also prepared an analysis of revenues, expenses, and enrollment over the past five fiscal years, as shown in Exhibits 1 and 2.

In analyzing financial trends of UNO over the past five fiscal years, expenses decreased in fiscal years 2015 through 2017 and increased in fiscal years 2018 through 2019, while revenues decreased in fiscal years 2015 and 2016 and increased in fiscal years 2017 through 2019. Expenses outpaced revenues in fiscal year 2015. In the past five fiscal years, revenues increased by 6.16% and expenses decreased by 6.25%. Student enrollment and net tuition and fees have declined by 11.6% and 7.68%, respectively, over the five-year period, as a result of declining enrollment through fiscal year 2018. UNO had a slight increase in enrollment in fiscal year 2019.

APPENDIX A: SCOPE AND METHODOLOGY

We performed certain procedures at the University of New Orleans (UNO) for the period from July 1, 2018, through June 30, 2019, to provide assurances on financial information significant to the University of Louisiana System (System), and evaluate relevant systems of internal control in accordance with Government Auditing Standards issued by the Comptroller General of the United States. The procedures included inquiry, observation, review of policies and procedures, and a review of relevant laws and regulations. Our procedures, summarized below, are a part of the audit of the System’s financial statements and the Single Audit of the State of Louisiana (Single Audit) for the year ended June 30, 2019.

- We evaluated UNO’s operations and system of internal controls through inquiry, observation, and review of its policies and procedures, including a review of the laws and regulations applicable to UNO.

- Based on the documentation of UNO’s controls and our understanding of related laws and regulations, we performed procedures to provide assurances on certain account balances and classes of transactions to support our opinions on the System’s financial statements.

- We performed procedures on information for the preparation of the state’s Schedule of Expenditures of Federal Awards for the year ended June 30, 2019, as a part of the 2019 Single Audit.

- We compared the most current and prior-year financial activity using UNO’s Annual Fiscal Reports and/or system-generated reports to identify trends and obtained explanations from UNO’s management for significant variances.

The purpose of this report is solely to describe the scope of our work at UNO and not to provide an opinion on the effectiveness of UNO’s internal control over financial reporting or on compliance. Accordingly, this report is not intended to be, and should not be, used for any other purposes.

We did not audit or review UNO’s Annual Fiscal Report, and, accordingly, we do not express an opinion on that report. UNO’s accounts are an integral part of the System’s financial statements, upon which the Louisiana Legislative Auditor expresses opinions.
