

The Gap: **Gender Disparities in STEM**

A candid conversation focused on eliminating gender disparities in academia and science.

Tune in to listen to our panelists discuss their experiences and their suggested solutions for addressing these issues at UNO.

**Monday
Nov. 8
3:00 PM
CST**

“The Gap,” a continuing series, seeks to expose and eliminate the inequitable treatment of underserved groups in science and academia.

PANELISTS:

Dr. Sarah Black, UNO Psychology

Dr. Agata Exner, CWRU Radiology

Dr. Juliette Ioup, UNO Physics

Dr. Wendy Schluchter, UNO Biological Sciences

Dr. Phoebe Zito, UNO Chemistry

C. Nacaya Brown, UNO Chemistry

Hosted by **Jamie Marks, UNO Biological Sciences**

THE UNIVERSITY *of*
NEW ORLEANS

UNO Department of
Biological Sciences
