

UNO FOCUS:

Research Award Program
Sony

The Sony Research Award Program provides funding for cutting-edge academic research and helps build a collaborative relationship between faculty and Sony researchers. With awards up to \$150,000 USD* per year for each accepted proposal, both the Faculty Innovation Award and Focused Research Award create new opportunities for university faculties and research institutions to engage in pioneering research that could drive new technologies, industries and the future.

The submission deadline is 11:59 pm PDT (Pacific Daylight Time; UTC-7) on September 15, 2022. Submissions via this form will not be accepted after the deadline.

ARTS, HUMANITIES, and INTERNATIONAL

Alaska Native and Native Hawaiian Culture and Arts Development Grant Program
Department of the Interior (Interior), National Park Service (NPS)

Notice seeking applications enhance culture and art programs, including traditional and contemporary expressions of language, history, visual and performing arts, and crafts. Programs may (1) provide scholarly study of, and instruction in, Alaska Native and Native Hawaiian traditional and contemporary arts and culture, (2) establish centers and educational programs that lead to degrees in Alaska Native and Native Hawaiian art and culture programs, and/or (3) establish programs that develop traditional and contemporary arts in the community through coordinate efforts to preserve, support, revitalize, and develop evolving forms of Indian art and culture.

Applications are due October 31, 2022. Approximately \$250,000 is available to fund five awards.

Limited Submission: Only one application per entity will be accepted.

LINKS: [Grants.gov](https://www.grants.gov)

EDUCATION and ECONOMIC & COMMUNITY DEVELOPMENT

FY 2023 AmeriCorps State and National American Rescue Plan (ARP) Planning Grants
AmeriCorps (AmeriCorps)

Notice seeking proposals to plan and develop an AmeriCorps program that will engage AmeriCorps members in implementing evidence-based interventions to solve community problems.

Applications are due November 14, 2022. Multiple awards with a ceiling of \$240,000 are anticipated.

LINKS: [Grants.gov](https://www.grants.gov)

FY 2023 AmeriCorps State and National Public Health AmeriCorps Grants
AmeriCorps (AmeriCorps)

Notice seeking proposals to engage AmeriCorps members in evidence-based or evidence-informed public health interventions/practices to strengthen communities.

Applications for national awards are due January 4, 2023. See individual states for state award due dates. Multiple awards are anticipated.

LINKS: [Grants.gov](https://www.grants.gov)

IES-NCER: Lead of a Career and Technical Education (CTE) Network under the fiscal year (FY) 2023 Research Networks Focused on Critical Problems of Education Policy and Practice Grant Program, Assistance Listing Number (ALN) 84.305N-2
Department of Education (Education), Institute of Education Sciences (IES)

Notice seeking applications that focuses resources and attention on specific education problems or issues that are a high priority for the Nation. NCER also establishes both a structure and process for researchers who are working on these issues to share ideas, build new knowledge, and strengthen their research and dissemination capacity.

Applications are due February 23, 2023. The maximum award amount is \$750,000.

LINKS: [Grants.gov](https://www.grants.gov), [Federal Register](https://www.federalregister.gov)

National Center for Education Research (NCER): Research Networks Focused on Critical Problems of Education Policy and Practice Assistance Listing Number (ALN) 84.305N-1
Department of Education (Education), Institute of Education Sciences (IES)

Notice seeking applications focuses resources and attention on specific education problems or issues that are a high priority for the Nation. NCER also establishes both a structure and process for researchers who are working on these issues to share ideas, build new knowledge, and strengthen their research and dissemination capacity.

Applications are due February 23, 2023. The maximum award amount is \$200,000.

LINKS: [Grants.gov](https://www.grants.gov), [Federal Register](https://www.federalregister.gov)

National Center for Special Education Research (NCSER): Special Education Research and Development Center, Assistance Listing Number (ALN) 84.324C
Department of Education (Education), Institute of Education Sciences (IES)

Notice seeking applications that contribute to the body of special education knowledge in the United States by engaging in research, development, evaluation, and national leadership activities aimed at improving the education system and, ultimately, student achievement.

Applications are due January 12, 2023. The maximum award amount is \$1 million.

LINKS: [Grants.gov](https://www.grants.gov), [Federal Register](https://www.federalregister.gov)

Office of Academic Improvement Programs: Project Prevent Grant Program, Assistance Listing Number (ALN) 84.184M
Department of Education (Education), Office of Elementary and Secondary Education (OESE)

Notice seeking applications to provide grants to local educational agencies (LEAs) impacted by community violence and to expand the capacity of LEAs to implement community- and school-based strategies to help prevent community violence and mitigate the impacts of exposure to community violence.

Applications are due October 3, 2022. An estimated 10 to 13 awards with a ceiling of \$600,000 is available. LEAs are eligible.

LINKS: [Grants.gov](https://www.grants.gov)

Virtual Public Meeting of the Advisory Committee on Apprenticeship (ACA)
Department of Labor (Labor)

Notice announcing a virtual public meeting of the Advisory Committee on Apprenticeship (ACA). The purpose of the meeting is to provide the ACA with Departmental updates on the ACA's May 2022 recommendations to the Department and discuss apprenticeship priorities for the upcoming year.

The meeting will be held Tuesday, September 27, 2022 at 1 p.m. ET virtually.

LINKS: [Federal Register](#)

From Learning to Leading: Cultivating the Next Generation of Diverse Food and Agriculture Professionals
National Institute of Food and Agriculture (NIFA), United States Department of Agriculture (USDA)

Notice seeking applications to build and sustain the next generation of the food, agriculture, natural resources, and human sciences (FANH) workforce including the future USDA workforce primarily through providing student scholarship support, meaningful paid internships, fellowships, and job opportunity matching, and also facilitating opportunities to learn the processes and pathways leading to training and employment in the federal sector.

Applications are due October 25, 2022. Optional notices of intent are due September 16, 2022. Approximately \$250 million is available.

Limited Submission: Three proposals total per eligible institution

LINKS: [Grants.gov](#), [Solicitation](#)

Higher Education Programs (HEP): Fund for the Improvement of Postsecondary Education (FIPSE) - Augustus F. Hawkins Center of Educational Excellence (Hawkins) Program, Assistance Listing Number (ALN) 84.116K

Department of Education (Education), Office of Postsecondary Education (OPE)

Notice seeking proposals to increase the number of exceptional minority educators by expanding and reforming teacher education programs at minority-serving institutions.

Applications are due October 7, 2022. An estimated five awards with a ceiling of \$1.6 million over four years are anticipated.

LINKS: [Grants.gov](#), [Federal Register](#)

Increasing Land, Capital, and Market Access Program

United States Department of Agriculture (USDA), Farm Service Agency (FSA)

Notice seeking applications to strengthen land access with additional opportunities to focus on capital access and market access for use in agriculture. The ability to access capital and markets allows landowners and operators to retain access to their lands or seek new lands/expansion of existing operations.

Applications are due October 28, 2022. Approximately \$300 million is available.

LINKS: [Grants.gov](#)

Landscape Scale Restoration Grant Program 2023 West
United States Department of Agriculture (USDA)

Notice seeking applications to encourage collaborative, science-based restoration of priority rural forest landscapes. This program supports high impact projects that lead to measurable outcomes on the landscape, leverage public and private resources, and further priorities identified in a State Forest Action Plan or equivalent science-based restoration strategy. Western states are eligible.

Applications are due October 27, 2022.

LINKS: [Grants.gov](#), [Solicitation](#)

Advisory Committee on Construction Safety and Health (ACCSH)
Department of Labor (Labor), Occupational Safety and Health Administration (OSHA)

Notice announcing a meeting of the Advisory Committee on Construction Safety and Health. The purpose is to advise in the formulation of standards affecting the construction industry, and on policy matters arising in the administration of the safety and health provisions under the Contract Work Hours and Safety Standards Act (Construction Safety Act (CSA)) and the Occupational Safety and Health Act of 1970 (OSH Act).

The meeting will be held from 9:00 a.m. to 5:00 p.m., ET, Wednesday, September 14, 2022 virtual only.

LINKS: [Federal Register](#)

Advisory Committee on Homeless Veterans
Department of Veterans Affairs (VA)

Notice announcing a meeting of the Advisory Committee on Homeless Veterans. The purpose of the meeting is to provide the Secretary of Veterans Affairs with an ongoing assessment of the effectiveness of the policies, organizational structures, and services of VA in assisting Veterans at risk of and experiencing homelessness.

The virtual meeting will be held on September 20 through September 22, 2022. The meeting sessions will begin and end at 12:00 p.m. to 4:00 p.m. ET.

LINKS: [Federal Register](#)

Freedom of Information Act (FOIA) Advisory Committee Meetings
National Archives and Records Administration (NARA)

Notice announcing a meeting of the Freedom of Information Act Advisory Committee. The purpose of the September 8, 2022, meeting will be to introduce the members and the work of the Committee. The purpose of the September 14, 2022, meeting will be to establish subcommittees and, for each subcommittee, select co-chairs (one government co-chair and one non-government co-chair).

The meetings will be held Thursday, September 8, 2022, from 10 a.m. to 12 p.m. ET, and Wednesday, September 14, 2022, from 10 a.m. to 12 p.m. ET. These meetings will be virtual. Registration is required.

LINKS: [Federal Register](#), [Agency Site](#)

HEALTH and MENTAL HEALTH

Laboratory of Developmental Biology (R24 Clinical Trial Not Allowed)
National Institutes of Health (NIH), Department of Health and Human Services (HHS)

Notice seeking proposals from established research resource programs to serve the biomedical research

community aimed at the collection, identification, staging, and distribution of conceptual tissues for use in studies to understand the underlying developmental biology of normal and abnormal human development as well as human pathologies.

Applications are due November 2, 2022. Multiple awards with a ceiling of \$800,000 per year are anticipated.

LINKS: [Grants.gov](#), [Solicitation](#)

Practice-Based Research Integrating Multidisciplinary Experiences in Dental Schools (PRIMED) (U01 Clinical Trial Not Allowed)

National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Institute of Dental and Craniofacial Research (NIDCR)

Notice seeking proposals for practice-based research studies conducted in the dental school predoctoral/postdoctoral clinics, to provide clinical research experiences and educational activities in the dental school setting.

Applications are due December 15, 2022. Approximately \$5 million is available to fund six to seven awards.

LINKS: [Grants.gov](#), [Solicitation](#)

The Early Detection Research Network: Clinical Validation Centers (U01 Clinical Trial Optional)

National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Cancer Institute (NCI)

Notice seeking applications to conduct research to validate biomarkers and/or imaging methods for risk assessment and detection of early-stage cancers. Clinical Validation Centers (CVCs) will also serve as resource centers for collaborative research within the EDRN by providing high-quality specimens for phase 1 and 2 biomarker refinement studies to other EDRN scientific units, as well as for conducting Network collaborative biomarker validation studies.

Applications are due September 19, 2022. Optional letters of intent are due 30 days before the application due date. Approximately \$4.2 million is available to fund up to six awards in FY 2023.

LINKS: [Grants.gov](#), [Solicitation](#)

The NCI Predoctoral to Postdoctoral Fellow Transition Award (F99 K00 Clinical Trial Not Allowed)

National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Cancer Institute (NCI)

Notice seeking proposals to facilitate the transition of talented graduate students into successful cancer research postdoctoral appointments and provide opportunities for career development activities relevant to their long-term career goals of becoming independent cancer researchers.

Applications are due November 18, 2022. Approximately \$1.1 million is available to fund up to 24 awards.

LINKS: [Grants.gov](#), [Solicitation](#)

Catalyst Award for Early-Stage Investigators (ESIs) Pursuing Research on HIV Comorbidities, Coinfections, and Complications (DP1- Clinical Trial Optional)

National Institutes of Health (NIH), Department of Health and Human Services (HHS)

Notice seeking applications to support research from creative early stage investigators who propose highly innovative, pioneering studies with potential to open new areas of HIV/AIDS research related to

coinfections, comorbidities, and complications. Projects should reflect new and novel scientific directions that are distinct from concepts and approaches being pursued in the investigator's research program or elsewhere.

Applications are due annually on May 1. Optional letters of intent are due 30 days prior to the application due date.

LINKS: [Grants.gov](#), [Solicitation](#)

Drug Induced Liver Injury Network (DILIN) Clinical Centers (U01 - Clinical Trial Optional)
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK)

Notice seeking applications for clinical centers for the continuation of the Drug-Induced Liver Injury Network (DILIN). The DILIN Clinical Centers are the components of the Network to identify, enroll and clinically characterize patients eligible for the DILIN.

Applications are due October 27, 2022. Optional letters of intent are due September 27, 2022. Approximately \$1.8 million is available to fund five awards.

LINKS: [Grants.gov](#), [Solicitation](#)

HEAL Initiative: Translational Development of Diagnostic and Therapeutic Devices (R18 Clinical Trial Not Allowed)
National Institutes of Health (NIH), Department of Health and Human Services (HHS)

Notice seeking proposals to develop clinical-grade prototypes intended for use as safe, effective, and non-addictive device-based technologies and approaches to treat pain.

Applications are due November 14, 2022. An estimated 8 to 12 awards with a ceiling of \$750,000 per year are anticipated.

LINKS: [Grants.gov](#), [Solicitation](#)

Maintaining Immunity after Immunization (U01 Clinical Trial Not Allowed)
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Institute of Allergy and Infectious Diseases (NIAID)

Notice seeking applications to promote research to improve our understanding of how vaccines against infectious agents lead to durable protective immunity. This initiative will support studies that define components and mechanisms of the immune system that determine such durability.

Applications are due January 13, 2023. Optional letters of intent are due 30 days before the application due date. Approximately \$4.8 million is available to fund five to eight awards in FY 2024.

LINKS: [Grants.gov](#), [Solicitation](#)

NIA Research and Entrepreneurial Development Immersion (REDI): Entrepreneurship Enhancement Award (R25 Independent Clinical Trial Not Allowed)
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Institute on Aging (NIA)

Notice seeking applications to promote the development of entrepreneurial education programs that are designed to broaden the skillset of graduate students and postdoctoral researchers, as well as early-career

master's, Ph.D., and Dr. P.H. scientists, in fields relevant to the mission of NIA, including aging and Alzheimer's disease (AD) research.

Applications are due November 15, 2022, October 18, 2023, and October 17, 2024. Approximately \$1.8 million is available to fund 8 to 10 awards.

LINKS: [Grants.gov](#), [Solicitation](#)

NIA Research and Entrepreneurial Development Immersion (REDI): Mentored Entrepreneurial Career Development Award (K01 Clinical Trial Not Allowed)
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Institute on Aging (NIA)

Notice seeking applications to provide support and protected time (three to five years) for an intensive, supervised career development experience in the biomedical, behavioral, or clinical sciences leading to research independence. The program is designed to support participants' transition to research independence in a multitude of career options, including research and teaching faculty, as well as entrepreneurial, industry, science policy, and research administration positions.

Applications are due November 15, 2022, October 18, 2023, and October 17, 2024.

LINKS: [Grants.gov](#), [Solicitation](#)

Physiomimetics and Organoids for Reproductive Health (R01 and R21 Clinical Trial Not Allowed)
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Institute of Child Health and Human Development (NICHD)

Notice seeking applications to develop physiometric platforms and organoid culture systems for studies of the female reproductive tract and gametogenesis (both male and female) that can be used to uncover factors responsible for gynecological conditions and infertility.

Applications are due March 29, 2023. Optional letters of intent are due February 28, 2023. Approximately \$1.6 million is available to fund four to five R01 awards. Approximately \$900,000 is available to fund three R21 awards.

LINKS: [Grants.gov \(R01\)](#), [Grants.gov \(R21\)](#), [Solicitation](#)

Rural Health Network Development Program
Health Resources and Services Administration (HRSA), Department of Health and Human Services (HHS), Federal Office of Rural Health Policy (ORHP)

Notice seeking applications to support integrated health care networks that collaborate to achieve efficiencies; expand access to, coordinate, and improve the quality of basic health care services and associated health outcomes; and strengthen the rural health care system as a whole.

Applications are due November 22, 2022. Approximately \$13.2 million is available to fund 44 awards.

LINKS: [Grants.gov](#)

Advisory Committee for Women's Services (ACWS)
Substance Abuse and Mental Health Services Administration (SAMHSA), Department of Health and Human Services (HHS)

Notice announcing a meeting of the Advisory Committee for Women's Services. The meeting will include discussions on assessing SAMHSA's current strategies, including the mental health and substance use

needs of the women and girls' population. Additionally, the ACWS will be addressing priorities regarding the impact of COVID-19 on the behavioral health needs of women and children and directions around behavioral health services and access for women and children.

The meeting will be held Tuesday, September 6, 2022, from 1:00 p.m. to 4:30 p.m. ET at SAMHSA, 5600 Fishers Lane, Rockville, MD 20857 (Virtual).

LINKS: [Federal Register](#), [Agency Site](#)

Meeting of the National Advisory Committee on Rural Health and Human Services
Health Resources and Services Administration (HRSA), Department of Health and Human Services (HHS)

Notice announcing a meeting of the National Advisory Committee on Rural Health and Human Services. The purpose is to provide advice and recommendations on policy, program development, and other matters of significance concerning both rural health and rural human services.

The meeting will be held Wednesday, September 14, 2022, 9:00 a.m.-5:00 p.m. CT; Thursday, September 15, 2022, 9:00 a.m.-4:00 p.m. CT; and Friday, September 16, 2022, 9:00 a.m.-12:00 p.m. CT. This meeting will be held at Spring Hill Suites, Naismith Ballroom, One Riverfront Plaza, Lawrence, Kansas.

LINKS: [Federal Register](#), [Agency Site](#)

Meeting of the National Advisory Council on Migrant Health
Health Resources and Services Administration (HRSA), Department of Health and Human Services (HHS)

Notice announcing of the National Advisory Council on Migrant Health. It provides recommendations concerning the organization, operation, selection, and funding of migrant health centers, and other entities under grants and contracts under section 330 of the Public Health Service Act (42 U.S.C. 254b).

The meeting will be held November 2-3, 2022, 9 a.m.-5 p.m. ET in-person at 5600 Fishers Lane, Rockville, Maryland 20857 and/or virtually.

LINKS: [Federal Register](#), [Agency Site](#)

SCIENCE, TECHNOLOGY, ENGINEERING, and MATHEMATICS

Advanced Technologies and Instrumentation for the Astronomical Sciences
National Science Foundation (NSF)

Notice seeking proposals for the development of new technologies and instrumentation for use in ground-based astronomy and astrophysics.

Applications are due November 15, 2022. Approximately \$8 million is available to fund 10 awards.

LINKS: [Grants.gov](#), [Solicitation](#)

Advancing Informal STEM Learning
National Science Foundation (NSF)

Notice seeking proposals for funding research and practice, with continued focus on investigating a range of informal STEM learning (ISL) experiences and environments that make lifelong learning a reality. This Program seeks proposals that center equity and belonging, and further the well-being of individuals and communities who have historically been and continue to be excluded, under-served, or underrepresented, due to gender, race, ethnicity, sexual orientation, disability status, neurodiversity, geographic location, and economic status, among others, as well as their intersections.

Proposals are due January 11, 2023 and Second Wednesday in January, annually thereafter. Approximately \$41 million is available to fund 48 to 77 awards.

LINKS: [Grants.gov](#), [Solicitation](#)

FY 2023 NASA Established Program to Stimulate Competitive Research (EPSCoR) Notice of Funding Opportunity (NOFO) Research Announcement
National Aeronautics and Space Administration (NASA)

Notice seeking proposals from institutions in eligible states and territories to contribute to and promote the development of research capability in areas of strategic importance to the NASA mission. 50% cost-sharing is required. See Limited Submission section for a list of jurisdictions eligible to apply.

Applications are due November 16, 2022. An estimated ten awards with a ceiling of \$750,000 are anticipated.

Limited Submission: Alabama, Alaska, Arkansas, Delaware, Guam, Hawaii, Idaho, Iowa, Kansas, Kentucky, Louisiana, Maine, Mississippi, Montana, Nebraska, Nevada, New Hampshire, New Mexico, North Dakota, Oklahoma, Puerto Rico, Rhode Island, South Carolina, South Dakota, US Virg

LINKS: [Grants.gov](#), [Solicitation](#)

FY2023 Weather Program Office Research Programs
National Oceanic and Atmospheric Administration (NOAA), Department of Commerce (Commerce)

Notice seeking proposals for four grant competitions from this notification valued at approximately \$13.5 million per year as follows: 1) Innovations for Community Modeling, 2) Observations (Obs), 3) Social, Behavioral, and Economic Sciences (SBES), and 4) Verification of the Origins of Rotation in Tornadoes Experiment in the United States (VORTEX-USA; inclusive of VORTEX-Southeast).

Applications are due November 17, 2022. Approximately 13.5 million is available to fund up to 48 awards.

LINKS: [Grants.gov](#)

Ocean Sciences Postdoctoral Research Fellowships
National Science Foundation (NSF)

Notice seeking proposals for postdoctoral research fellowships to provide opportunities for scientists studying ocean-related disciplines early in their careers to work within and across traditional disciplinary lines, develop partnerships, and avail themselves of unique research resources, sites and facilities.

Applications are due November 15, 2022. Approximately \$4 million is available to fund 15 awards.

LINKS: [Grants.gov](#), [Solicitation](#)

Program Announcement for Artificial Intelligence Exploration (AIE)
Defense Advanced Research Projects Agency (DARPA), Department of Defense (Defense)

Notice seeking proposals to invest in research that leads to prototype development that may result in new, game-changing AI technologies for U.S. national security.

Proposals are due any time until August 18, 2023. Multiple awards are anticipated.

LINKS: [Contract Opportunities](#)

Funding Opportunity in Support of the Hydrogen Shot and a University Research Consortium on Grid Resilience
Department of Energy (Energy)

Notice seeking proposals to advance hydrogen and fuel cell technologies and/or improving electricity grid resilience.

Required concept papers are due September 23, 2022. Multiple awards of all types are anticipated.

LINKS: [Grants.gov](#), [Solicitation](#)

FY23 Vannevar Bush Faculty Fellowship Program
Department of Defense (Defense), Office of Naval Research (ONR)

Notice seeking proposals supports innovative basic research within academia, as well as opportunities intended to develop the next generation of scientists and engineers for the defense workforce.

Required white papers are due October 28, 2022. Proposals are due March 24, 2023. Approximately \$24 to \$30 million is available to fund 8 to 10 awards for five years.

LINKS: [Grants.gov](#), [Solicitation](#)

MUREP PBI-HBCU Data Science Equity, Access and Priority for Research and Education (DEAP)
National Aeronautics and Space Administration (NASA), Science Mission Directorate (SMD)

Notice seeking proposals to lead innovation by closely collaborating with NASA mentors for harnessing diverse data sources and developing and applying new methodologies, technologies, and infrastructure for data management and analysis research. The DEAP Institutes will support convergence between science and engineering research communities as well as expertise in DataScience foundations, systems, and applications.

Proposals are due October 24, 2022. Pre-proposal teleconference will be held September 14, 2022. An estimated five awards of up to \$500,000 each are available. HBCUs and PBIs are eligible to be lead applicants.

LINKS: [Grants.gov](#), [Solicitation](#)

DARPA Special Notice for ANCILLARY Proposers Day
Defense Advanced Research Projects Agency (DARPA), Department of Defense (Defense), Tactical Technology Office (TTO)

Notice announcing a proposers day to provide information to potential proposers on the objectives of the AdvanCed airCRAFT Infrastructure-Less Launch And RecoverY (ANCILLARY) program. The ANCILLARY program is seeking to develop and flight demonstrate an X-plane with the critical technologies required for a leap-ahead in long endurance, vertical takeoff and landing (VTOL) unmanned air system (UAS) performance.

The Proposers Day will be held on Tuesday, September 20, 2022, at Strategic Analysis, Inc. Executive Conference Center (ECC), 4075 Wilson Blvd., Arlington, VA from 9 a.m. to 12 p.m. ET. Advance registration is required both for attending the Proposers Day in person and for viewing the webcast. Registrations are due September 9, 2022.

LINKS: [Contract Opportunities](#), [Agency Site](#)

Notice of Cybersecurity and Infrastructure Security Agency Cybersecurity Advisory Committee Meeting
Department of Homeland Security (Homeland Security)

Notice announcing a virtual meeting of the CISA Cybersecurity Advisory Committee. The purpose of the meeting is to advise the CISA Director on matters related to the development, refinement, and implementation of policies, programs, planning, and training pertaining to the cybersecurity mission of the Agency.

The meeting will be held virtually on September 13, 2022, from 2 p.m. to 4 p.m. ET. Registration is required and due September 11, 2022.

LINKS: [Federal Register](#), [Agency Site](#)

Public Meeting of the National Geospatial Advisory Committee
Department of the Interior (Interior)

Notice announcing a public meeting of the National Geospatial Advisory Committee. The purpose is to provide advice and recommendations related to management of Federal and national geospatial programs, the development of the National Spatial Data Infrastructure (NSDI), and the implementation of the Geospatial Data Act of 2018 (GDA) and the Office of Management and Budget Circular A-16. The NGAC reviews and comments on geospatial policy and management issues and provides a forum to convey views representative of non-federal stakeholders in the geospatial community.

The meeting will be held as a webinar on September 7-8, 2022, from 1:00 p.m. to 5:00 p.m. (ET).

LINKS: [Federal Register](#), [Agency Site](#)

NATO Request for Innovative Participation: Innovation Challenge 2022-Fall: Resilience – Data Management and Security in the Context of Reconstruction Efforts
Department of Commerce (Commerce)

Notice seeking solutions (either existing and/or under development) to the scenario related to data management and security in the context of civil-military cooperation in support of reconstruction efforts, taking into account the relevant data streams. Particularly, NATO is interested in having proposals addressing the following sub-topics: 1) Ingesting data into common architectures for data management and/or data security; 2) Integration with NATO Operations Logistics Chain Management; 3) Scalable data models to support the design of interactive dashboards and predictive analytics; 4) Solutions can include any combination of methodologies, concepts, techniques and technologies; 5. Solutions involving blockchain, augmented reality/virtual reality and artificial intelligence are particularly sought after.

Requested information and solutions are due September 19, 2022 to Agency Site. 10 solutions are anticipated. Three winners will be chosen. Partnerships are encouraged.

LINKS: [Contract Opportunities](#), [Agency Site](#)
