

LSUHSC - New Orleans Dental Hygiene Program

Listed below are the prerequisite courses for admission to the Bachelor of Science in Dental Hygiene Program at the LSU Health Sciences Center School of Dentistry in New Orleans.

Program requirements are determined by LSUHSC. Admission to the program is on a competitive basis. Meeting the minimum requirements does not guarantee program admission. The admissions committee considers cumulative GPA, science GPA, quality of courses taken, ACT scores, and experience in the dental/dental hygiene field. Students must take the ADHT (Dental Hygiene Admission Test).

*Students should refer to the UNO course catalog at https://www.uno.edu/course-catalog for the most up-to-date information on UNO courses and pre-requisites.

LSU School of Dentistry (Dental Hygiene) **Admission Requirements**

- Completion of the above listed courses with a G.P.A. of at least a C in all required courses.
- Application is made on-line through the ADEA Dental Hygiene Centralized Application Service (ADEA DHCAS). Applications open at the beginning of November of the year prior to year of application and close mid-February in the year prior to which you are applying for entry. This information is subject to change.
- Students may apply for the Dental Hygiene Program before completing all classes. However, all required courses (60 credit hours) for the LSU program must be completed prior to registration in the Dental Hygiene Program. All Science courses must be taken within 5 years of application and through an in-person and not on-line format. All other pre-requisites must be completed within 10 years of application and may be on-line.

Potential applicants are strongly encouraged to visit the LSU School of Dentistry Admissions web page (https://www.lsusd.lsuhsc.edu/ HygAdmissions.html) and to carefully read all of the up to date information regarding the application process.

This information is subject to change. For current and complete application information, visit the LSUHSC School of Dentistry website at https://www.lsusd.lsuhsc.edu/FSHygiene.html
