

MESSAGE FROM THE GRAD SCHOOL

On November 9, UNO students will vote on a fee increase for an enhanced student experience to include football, marching band, women's golf, and women's soccer. The fee, a net increase of \$300 for full-time students, will benefit intramural and club programs, student activities, diversity, and student retention.

Students are invited to attend Town Hall Meetings on October 31 and November 8 at 6 p.m. in the University Center Ballroom. Learn more about the #WaketheLake campaign by visiting unoprivateers.com/WaketheLake.

Summits, Forums, & Internships

INNOVATE UNO: PRESENTER DEADLINE OCTOBER 15 **Register to present here.**

UNO's annual research symposium open to all. If you are engaged in research, scholarly, creative, or innovative projects, you can use this platform to test your ideas, network with your peers, and share your success. Students, faculty, and staff can present their work as oral presentations, art displays, performances, or film screenings. Symposium will be held November 8-18, 2022.

EXTERNAL RESEARCH OPPORTUNITIES

This page includes an up-to-date list of available external internships, research opportunities, and conferences for both undergraduate and graduate students.

VIRGINIA TECH PRESIDENTIAL POSTDOCTORAL FELLOWSHIP PROGRAM

Virginia Tech has launched a new Presidential Postdoctoral Fellowship program. The next proposal review is **Nov. 15**. Fellowships will be awarded in four tracks: Research Frontiers, Cybersecurity, Innovation, and Science Policy. Interested applicants should identify a Virginia Tech faculty mentor to work collaboratively on a three-page proposal for submission prior to one of the cycle deadlines.

OFFICE OF SCIENCE GRADUATE STUDENT RESEARCH APPLICATION WORKSHOP: OCTOBER 22, 2022, 2PM

The SCGSR program provides supplemental awards to U.S. graduate students to pursue part of their graduate thesis research working side by side with science and engineering experts at a DOE laboratory or facility.

Register for the workshop to learn how to apply.

Applications due November 9, 2022 at 4pm.

PaCE Offshore Wind Opportunity: A Virtual Panel Event

Event Date: Monday, October 24th, 2022, 10am-12pm

Registration opens October 4th, 2022.

As part of the the PaCE Offshore Wind Program, PaCE presents a series of events and courses about Offshore Wind Energy. The first panel event provides a high-level overview of the sector. Speakers will outline opportunities for disruptive innovation and technology integration, discuss supply-chain and manufacturing considerations, and share insights from non-US markets. Don't miss this opportunity to interact with some of the best minds in the Offshore Wind industry!

For questions about PaCE's offerings, email pace@uno.edu or call (504)-280-4756.
