UNO Chancellor's Data Report Narrative April 2023

The UNO Chancellor's Data Report, page 1, shows the number of responsible employees and confidential advisors who have completed the required training as of April 8, 2023. The training that was developed by the BOR and that is required by the BOR Uniform Policy on Power-Based Violence/Sexual Misconduct will be completed by all UNO responsible employees by July 31, 2023. All responsible employees must complete that training before the start of the 2023-2024 academic year.

Page 2 of the Report includes information about three formal complaints that the University has received since the submission of the last Chancellor's report to the BOR. All three investigations are still in progress, so no findings have been made.
