Please join UNOTI for a conversation with **Bradley R. Brandt**

About the Speaker: Mr. Brandt is a graduate of Embry-Riddle Aeronautical University with a bachelor’s degree in Aviation Management and a master’s degree in Aeronautics. Additionally, he has earned an Aviation Law Diploma from the International Air Transport Association.

Brad began his aviation career in 1998 in Airport Operations at the Denver International Airport. He then relocated to Louisiana with the W.D. Schock Company where he managed the Noise Mitigation Program for the Baton Rouge Metropolitan Airport. He joined the Louisiana Department of Transportation and Development’s Aviation Division in 2001. He currently serves the aviation community in Louisiana as the Aviation Director for DOTD where he serves with a staff of 11 administering a \$1.3 million Operations Budget and a \$28.5 million capital outlay construction budget.

Brad served as a member of the National Association of State Aviation Officials (NASAO), where he held numerous positions with the organization as a Regional Director for the Southwest Region, Chairman of the Finance Committee, and Chairman of the NASAO Center for Aviation Research and Education. He also served as Chairman of the NASAO Board of Directors in 2017. He also serves as chairman of the Louisiana Drone Advisory Committee.
