

University Committee on Courses and Curricula – Spring 2020

Meeting Minutes – February 10, 2020

Present: Kazim Akyuzlu, Sarah Berry, Nancy Easterlin, Kimberly Echols, Yvette Green, Erik Hansen, Vesselin Jilkov, Linxiong Li, Caroline Noyes, Lindsey Reno

Absent from the meeting: Woohyun Cho, Kraig Derstler, Roxane Dufrene

Quorum was established for undergraduate voting and graduate voting.

The minutes from the January 17, 2020 meeting were voted and approved via Moodle.

CHIN 1002 and FREN 6195 were reactivated.

There were additional questions regarding the accelerated master's proposals including clarification on the number of credit hours that can overlap between degrees, the total number of hours completed for both degrees, as well as determining how will complete the undergraduate degree if they do not fulfill the requirements of the accelerated graduate program. Additionally, some colleges used the wrong form to submit their proposals and the form should remove the graduate school's signature line. Dr. Green and Ms. Berry will work together to notify the departments that additional work and information is needed before proceeding with the proposals.

Dr. Noyes indicated that an Interdisciplinary Studies course may be added to the General Education menu. Several committee members remarked that this would be great opportunity for students to venture out of their home departments.

The next meeting will be February 17, 2020 at 11AM in AD 101.
