CAEP R1.1 The Learner and Learning The provider ensures candidates are able to apply their knowledge of the learner and learning at the appropriate progression levels. Evidence provided should demonstrate that candidates are able to apply critical concepts and principles of learner development (InTASC Standard 1), learning differences (InTASC Standard 2), and creating safe and supportive learning environments (InTASC Standard 3) in order to work effectively with diverse P-12 students and their families.

InTASC Standard #1: Learner Development
The teacher understands how learners grow and develop, recognizing that patterns of learning and development vary individually within and across the cognitive, linguistic, social, emotional, and physical areas, and designs and implements developmentally appropriate and challenging learning experiences.

InTASC Standard #2: Learning Differences
The teacher uses understanding of individual differences and diverse cultures and communities to ensure inclusive learning environments that enable each learner to meet high standards.

InTASC Standard #3: Learning Environments

The teacher works with others to create environments that support individual and collaborative learning, and that encourage positive social interaction, active engagement in learning, and self motivation
