**Verification of Non-Filing**

Non-Tax Filers must also provide documentation which confirms a 2023 federal income tax return was not filed with the IRS or other relevant tax authority. This is confirmed by obtaining and submitting the “**Verification of Non-filing Letter**” provided by the Internal Revenue Service (IRS). If you attempted to obtain the required letter but are unable to secure it, you may instead submit a signed and dated statement certifying:

- 1) You made a good faith attempt to obtain confirmation of nonfiling from the IRS or other relevant tax authority but were unable to obtain the required documentation.
- 2) That you have not filed and are not required to file a federal income tax return for the 2023 tax year.
