

## UNO Founders Club Membership Application & Luncheon Ticket Order Form

The Founders Club works to strengthen and support the University, its academic enterprise and its position in the greater New Orleans community. It also advocates for retired University faculty and staff and supports the efforts of The University of New Orleans Alumni Association. The Founders Club was initially established to remember Founders Day, September 8, 1958, the date of the first Convocation of then-Louisiana State University in New Orleans. We remember that date with a luncheon after Labor Day each year.
