

## **ARTS, HUMANITIES, and INTERNATIONAL**

### Samuel H. Kress Foundation History of Art grant program

Notice seeking proposals for scholarly projects with the potential to enhance the appreciation and understanding of European art and architecture from antiquity to the early 19th century.

Letters of intent are due March 1, 2026. Awards may vary.

LINKS: [Agency Site](#)

---

### Spector Craft Prize for Emerging Artists

Notice seeking applications to identify and support exceptional emerging craft artists whose work demonstrates technical mastery, innovative vision, and deep engagement with American culture. The prize aims to recognize artists who show significant potential for contributing to the field and who would benefit from the comprehensive support provided by the program.

Applications are due March 1, 20226. Up to five artists will be selected to receive comprehensive support, comprised of a \$10,000 financial award to support their artistic practice. applicants must be within the first seven years of commencing their professional craft practice, be residents or citizens of the United States, and be 21 years of age or older at the time of application.

LINKS: [Agency Site](#)

---

### Terra Foundation for American Art Convening Grants Program

Notice seeking letters of inquiry (LOIs) to support programs that stimulate interdisciplinary and intercultural exchange through conferences, workshops, and gatherings worldwide.

LOIs are due February 16, 2026. Convening grants typically range between \$10,000 and \$25,000. Applicants must be tax-exempt as defined by section 501(c)(3) of the Internal Revenue Code.

LINKS: [Agency Site](#)

---

### Vilcek Foundation Grants

Notice seeking applications that work with immigrant artists and communities and that promote diversity in the arts, sciences, education, or through the provision of social services. The foundation invests in organizations that take a creative approach to putting their mission into action and prioritize the development of unique projects and operations that effectively achieve meaningful goals.

Applications are due April 30, 2026. Awards may vary.

LINKS: [Agency Site](#)

---

## **EDUCATION and ECONOMIC & COMMUNITY DEVELOPMENT**

### Dr. Scholl Foundation Grants Program

Notice seeking letters of intent (LOIs) to provide financial assistance to organizations in the following areas: education, social service, health care, civic and cultural, and the environment.

LOIs are due January 31, 2026.

LINKS: [Agency Site](#)

---

#### FY 2025 Continuum of Care Competition and Youth Homeless Demonstration Program Grants NOFO

Notice seeking applications for a competitive and results oriented program designed to promote a community-wide commitment to the goal of ending homelessness.

Applications are due February 25, 2026. An estimated \$3.918 million is available to fund up to 7,000 awards.

LINKS: [Grants.gov](#); [Grants.gov \(new version\)](#); [Agency Site](#)

---

#### Human Animal Bond Research Pet-Inclusive Rental Housing Research

Notice seeking applications to advance, through science, education and advocacy, the vital role of the human-animal bond in the health and well-being of people, pets, cultures, and communities.

Applications are due February 26, 2026. Desired applicants are U.S. based community-led academic partnerships, advocacy or community groups that conduct research, academic researchers partnered with a community-based group or organization. HABRI awards an average of 5 to 6 projects each year with project costs averaging approximately \$50,000 per project and an average duration of about 20 months.

LINKS: [Agency Site](#)

---

#### National Forest Foundation (NFF) 2026 Conservation Connect Fellowship Program

Notice seeking applications to build experience, knowledge, and skills within the next generation of collaborative and conservation leaders to support each other and advance the field.

Applications are due January 25, 2026. Fellows will be hired as temporary, part-time employees and compensated at a rate of \$22.90/hour (with no benefits offered) for up to 300 hours. Graduate students pursuing a master's or doctorate degree are eligible for the fellowship.

LINKS: [Agency Site](#)

---

#### OVC FY25 Housing Assistance for Victims of Human Trafficking

Notice seeking applications for funding for housing and support services to victims of human trafficking. The primary focus of this program is to provide rapid rehousing (i.e., transitional housing and supportive services that assist human trafficking victims in moving as quickly as possible into permanent housing and achieving stability).

Applications are due February 24, 2026 for Grants.gov. An estimated \$16.8 million are available to fund up to 17 awards.

LINKS: [Grants.gov](#); [Agency Site](#)

---

#### OVC FY25 Integrated Services for Minor Victims of Human Trafficking

Notice seeking applications to enhance the availability, quality, and delivery of services tailored to the developmental stages and needs of young (minor) victims of human trafficking.

Applications are due February 24, 2026 for Grants.gov. An estimated \$10 million is available to fund up to 12 awards.

LINKS: [Grants.gov](#); [Agency Site](#)

---

#### OVC FY25 Preventing Trafficking of Girls

Notice seeking applications for programs that replicate and scale up prevention and early intervention programs; and implement or enhance efforts to identify and provide comprehensive services to girls/young women who are at risk of, or are victims of, sex and/or labor trafficking through activities such as street outreach, partnerships with organizations that serve youth, partnerships with juvenile justice and child welfare systems, and/or collaboration with other key community stakeholders.

Applications are due February 24, 2026 for Grants.gov. An estimated \$3.48 million is available to fund up to seven awards.

LINKS: [Grants.gov](#); [Agency Site](#)

---

#### OVC FY25 Services for Victims of Human Trafficking

Notice seeking applications for comprehensive and specialized services for victims of all forms of human trafficking and is intended for victim services programs serving adults or a combination of adults and minors/youth.

Applications are due March 11, 2026 for Grants.gov. An estimated \$27.7 million is available to fund up to 32 awards.

LINKS: [Grants.gov](#); [Agency Site](#)

---

#### Rehabilitation Services Administration (RSA): Braille Training Program, Assistance Listing Number 84.235E

Notice seeking applications for projects that will provide training in the use of braille for personnel providing vocational rehabilitation (VR) services or educational services to youth and adults who are blind, develop braille training materials, develop methods used to teach braille, and develop activities used to promote the knowledge and use of braille and nonvisual access technology for youth and adults who are blind.

Applications are due March 27, 2026. Approximately seven awards will be offered.

LINKS: [Grants.gov](#); [Agency Site](#); [Federal Register](#)

---

#### Spencer Foundation Large Research Grants on Education

Notice seeking pre-proposals for the foundation's Large Research Grants on Education program, which supports education research projects with the potential to contribute to the improvement of education, broadly conceived.

Pre-proposals are due February 24, 2026. Funding falls under the following tiers: \$125,000 to 250,000; \$250,001 to \$375,000; and \$375,001 to \$500,000. Proposals to this program must be for academic research projects that aim to study education.

LINKS: [Agency Site](#)

---

#### University Transportation Centers Program FY 2025

Notice seeking applications for eligible nonprofit institutions of higher education to establish and operate University Transportation Centers. The objectives of each of these Centers are to: Advance transportation expertise and technology in the varied disciplines that comprise the field of transportation through

education, research, and technology transfer activities; Provide for a critical multimodal transportation knowledge base outside of DOT; and  
Address critical workforce needs and educate the next generation of transportation leaders with respect to the statutory research priorities.

Requested letters of intent are due January 19, 2026. Applications are due February 20, 2026. An estimated \$33 million is available to fund up to five awards.

LINKS: [Grants.gov](#)

---

#### YouthBuild 2025

Notice seeking applications that provides education, occupational training, and leadership development activities for disadvantaged and low-income youth: individuals between the ages of 16 and 24, most who did not complete high school and face other barriers to employment. We will consider only one application from each organization.

Applications are due March 2, 2026. An estimated \$98 million is available to fund up to 57 awards. Cost sharing is required.

LINKS: [Grants.gov](#)

---

#### Environmental Education Grant Program

Notice seeking applications to propose locally and regionally focused projects that promote environmental stewardship and foster knowledgeable, responsible students, educators, and community members. The program provides financial support for the design, demonstration, and dissemination of environmental education practices, methods, and techniques that: Increase public awareness and understanding of local and/or regional environmental issues; and Equip participants with the skills needed to make informed decisions and take responsible actions to protect and improve the environment.

Applications are due March 3, 2026. An estimated \$3.2 million is available to fund 13 to 16 awards.

LINKS: [Grants.gov](#); [Grants.gov \(Simpler\)](#)

## **HEALTH and MENTAL HEALTH**

#### American Epilepsy Society Predoctoral Research Fellowships

Notice seeking applications to support predoctoral students who are pursuing dissertation research with an epilepsy-relevant theme, and who are working under the guidance of a mentor with expertise in epilepsy research.

Applications are due January 22, 2026. The fellowship award offers up to \$30,000 for stipend and travel support. Applicants must be matriculating in a full-time doctoral (PhD) program in a field relevant to epilepsy research, have a defined research plan and access to institutional resources to conduct the proposed project, and have a qualified mentor(s) with expertise to supervise and provide guidance on the specific aspects of epilepsy related research targeted in the proposal.

LINKS: [Agency Site](#)

---

#### American Heart Association Rapid Impact Research Award Program

Notice seeking proposals to support early and mid-career investigators proposing innovative research that falls under three priority areas: sudden cardiac arrest/resuscitation science, cardiovascular kidney metabolic syndrome, or stroke and/or vascular dementia.

Proposals are due January 22, 2026. Grants of up to \$100,000 over two years will be awarded. Eligible applicants must hold a post-baccalaureate doctoral degree. The program is limited to instructors, assistant professors, and associate professors. Holding a full-time faculty/staff scientist position equivalent to one of these listed positions is also acceptable.

LINKS: [Agency Site](#)

---

#### American Society for Radiation Oncology (ASTRO) Funding Opportunities

Notice seeking applications for various ASTRO awards ranging from investigator awards and seed grants. ASTRO, alone and in partnership with others, funds research for junior faculty, residents, fellows and postdoctoral fellows in support of radiation oncology researchers' careers.

Due dates, funding amounts, and eligibility vary by award.

LINKS: [Agency Site](#)

---

#### Autism Science Foundation 2026 Profound Autism Pilot Grants and Pre-doctoral Fellowships

Notice seeking applications for two award mechanisms: Pilot Grants which support one-year research projects focused on profound autism conducted by established investigators and Pre-doctoral Fellowships which support one-year, mentored training awards for graduate students focused on profound autism.

Applications are due March 2, 2026. Pilot Grants are worth up to \$35,000 and Pre-doctoral Fellowship are worth \$35,000. Eligibility varies by award.

LINKS: [Agency Site](#)

---

#### Massage Therapy Association Research Grants

Notice seeking applications pre-proposals for MTF's 2026 Research Grants and Research Support Awards. Research Support Awards are small research awards granted to support high quality, independent research which contributes significantly and directly to the knowledge and evidence base of massage therapy and/or its application. Research Grants fund projects that demonstrate a clear and direct connection to massage therapy practice and have the potential to strengthen its evidence base, sustainability, and integration within health care.

Submission dates for both awards is February 28, 2026. For Research Support Awards, the maximum award is \$30,000 for one year. For Research Grants, funding is between \$30,000 to \$300,000 and can be used over multiple years.

LINKS: [Agency Site](#)

---

#### Mathers Grant Awards Program

Notice seeking institutional nominations for the Mathers Grant Awards Program, which supports early-stage discoveries that drive innovation and lay the groundwork for future medical breakthroughs. The various research areas range from immunology to neuroscience.

Nominations and portal registrations are due January 30, 2026. Those eligible for funding include institutions that directly support their own investigators, principal investigators with their own fully equipped labs, all levels of professorship, and collaborative research projects with other U.S.-based organizations.

LINKS: [Agency Site](#)

---

#### NIGMS Institutional Biomedical Undergraduate Research Training (BURT) Program (T34)

Notice seeking applications for the Institutional Biomedical Undergraduate Research Training (BURT) program which aims to provide support to eligible, domestic organizations to develop and implement effective, evidence-informed approaches to biomedical undergraduate training and mentoring to help build a strong biomedical research workforce for the nation.

Applications are due February 25, 2026. This NOFO will remain open until September 26, 2028. Multiple awards are anticipated.

LINKS: [Grants.gov](#)

---

#### OREF Goldberg Arthritis Research Grant

Notice seeking applications to provide seed and start-up funding for promising research projects that address issues related to the treatment of arthritis with an emphasis on arthroplasty.

Applications are due February 16, 2026. Approximately \$50,000 will be awarded for promising research projects. A project PI must be a new investigator, classified as an individual who has not received an R01 National Institutes of Health (NIH) grant or its equivalent in the role of PI. The orthopedic surgeon PI must be licensed to practice in the U.S. and be working in an institution in the U.S. A PhD may serve as the PI and must hold a faculty appointment in an orthopedic department at an institution in the U.S. A letter from the department chair confirming the appointment is required.

LINKS: [Agency Site](#)

---

#### BioStabilization Systems (BoSS)

Notice announcing a Proposer's Day event for potential proposers of the BoSS program. The purpose is to provide potential Proposers with information on BoSS, promote additional discussions, and encourage teaming and networking.

The Proposer's Day event will be held on January 29, 2026 from 8:00 a.m. to 5:00 p.m.

LINKS: [Contract Opportunities](#); [Agency Site](#)

---

#### National Institute of Dental & Craniofacial Research; Notice of Meeting

Notice announcing a partially open meeting held by the National Advisory Dental and Craniofacial Research Council consisting of a report from the director and concept clearances.

This open portion of this meeting will take place on January 21, 2026 from 11:15 a.m. to 2:15 p.m. and will be accessible virtually.

LINKS: [Federal Register](#)

---

#### National Institute of General Medical Sciences; Notice of Partially Closed Meeting

Notice announcing a partially open meeting held by the National Advisory General Medical Sciences Council. This meeting will consist of a discussion of programs, opening remarks, a report of the Director of NIGMS, and other business of the NAGMSC not completed at the February meeting.

The open session will be held virtually on March 18, 2026 from 9:30 a.m. to 12:00 p.m.

LINKS: [Federal Register](#); [Agency Site](#)

---

National Institute on Minority Health and Health Disparities; Notice of Partially Closed Meeting

Notice announcing a meeting held by the National Advisory Council on Minority Health and Health Disparities. This meeting will consist of opening remarks, administrative Matters, a director's report, presentations, and other business.

The open session will be held on February 6, 2026 from 10:00 a.m. to 3:00 p.m. The meeting will be accessible via videocast.

LINKS: [Federal Register](#); [Agency Site](#)

---

Office of the Director, National Institutes of Health; Notice of Meeting

Notice announcing a virtual, public meeting held by the Advisory Committee on Research on Women's Health. This meeting will include an ORWH Director's report, NIH Inclusion report, a report from the National Heart, Lung, and Blood Institute (NHLBI), and a presentation detailing the impact that ORWH has had on women's health research.

This open meeting will be held on April 7, 2026 from 9:00 a.m. to 4:00 p.m. and will be accessible via videocast.

LINKS: [Federal Register](#); [Agency Site](#)

---

Office of the Director, National Institutes of Health; Notice of Meeting

Notice announcing a virtual, public meeting held by the NIH Clinical Center Research Hospital Board. This meeting will consist of leadership announcements, recent activities and organizational priorities, and other business.

This meeting will be held on January 30, 2026 from 9:00 a.m. to 1:00 p.m.

LINKS: [Federal Register](#); [Agency Site](#)

---

American Psychological Foundation Trauma Psychology Grant

Notice seeking applications in support of innovative work to alleviate trauma. Applicants must have a demonstrated knowledge of trauma and trauma research and have demonstrated competence and capacity to execute the proposed work.

Applications are due October 9, 2026. Grant of up to \$3,750 will be awarded.

LINKS: [Agency Site](#)

---

Dr. Christine Blasey Ford Grant

Notice seeking applications for innovative research on the understanding, prevention, and/or treatment of the consequences of exposure to traumatic events such as sexual assault, sexual harassment, and/or rape. The grant will support graduate students and/or early career researchers.

Applications are due October 9, 2026. Award amount is \$3,750.

LINKS: [Solicitation](#); [Agency Site](#)

---

#### Elevance Health Foundation Inaugural Patient Safety Prize

Notice seeking applications for proven solutions that boost patient safety for communities across the United States. The Patient Safety Prize invites pioneering solutions in three key areas: empowering health literacy for safer patient care; innovating to eliminate medication errors; and promoting fall-free futures.

Applications are due March 17, 2026. The prize will award up to \$1.5 million each for up to three winners and up to \$250,000 each for up to two honorable mentions.

LINKS: [Agency Site](#)

---

#### Innovators Research Grants

Notice seeking applications for innovative approaches to identifying causes or improved treatment of food allergies. The program will support a single researcher or teams.

Applications are accepted on a rolling basis. Award amounts in tiers: \$75,000; \$150,000; or \$250,000 annually.

LINKS: [Solicitation](#); [Agency Site](#)

---

#### Parkinson's Foundation 2026 Community Grants

Notice seeking applications to support health, wellness and educational programs that address unmet needs in local Parkinson's disease (PD) communities.

Applications are due January 30, 2026. An estimated \$1 million is available in community grant funding.

LINKS: [Agency Site](#)

---

#### National Human Genome Research Institute; Notice of Meeting

Notice announcing a meeting of the National Human Genome Research Institute. The purpose of the meeting is to discuss matters of program relevance.

The meeting will be held on February 9, 2026 from 10:00 a.m. to 6:00 p.m. by videocast. It can be accessed from <https://videocast.nih.gov/> on the day of the meeting.

LINKS: [Federal Register](#)

---

## **SCIENCE, TECHNOLOGY, ENGINEERING, and MATHEMATICS**

2026 ERDC Broad Agency Announcement

Notice seeking pre-proposals for the Engineer Research and Development Center (ERDC). The ERDC is responsible for conducting research in the broad fields of hydraulics, dredging, coastal engineering, instrumentation, oceanography, aquatic plants, etc.

Pre-proposals can be submitted at any time.

LINKS: [Contract Opportunities](#); [Agency Site](#); [Grants.gov](#)

---

#### DOE Computational Science Graduate Fellowship (DOE CSGF)

Notice seeking applications for the DOE Computational Science Graduate Fellowship (DOE CSGF) which supports outstanding doctoral students who use high-performance computing (HPC) to solve complex science and engineering problems. The fellowship aims to build the next generation of leaders in computational science while fostering a community of students, alumni, and DOE laboratory staff. The fellowship emphasizes cross-disciplinary research, allowing students in fields such as physics, chemistry, engineering, math, life sciences, and computer science to collaborate and innovate.

Applications are due January 15, 2026. The annual stipend for this fellowship is \$45,000. Applicants must be U.S. citizens or lawful permanent residents, plan full-time, uninterrupted Ph.D. study at an accredited U.S. university, and be undergraduate seniors, first-year graduate students, or individuals entering a Ph.D. program.

LINKS: [Agency Site](#)

---

#### Mechanisms for Amplification of fusion Reaction Rates in Solids (MARRS)

Notice seeking proposal abstracts in exploring and implementing mechanisms that amplify and increase the rates of nuclear fusion reactions in solids at and near Room Temperature. Proposed research should investigate innovative approaches that enable revolutionary advances in science, devices, or systems.

Proposal abstracts are due January 26, 2026. Multiple awards are anticipated.

LINKS: [Grants.gov](#); [Agency Site](#); [Contract Opportunities](#)

---

#### MIT HEALS Biswas Postdoctoral Fellows Application 2026

Notice seeking applications for the Biswas Fellowship supports early-career scholars in high-impact, interdisciplinary research at the intersection of life sciences, health, and technology. Fellows will be embedded in MIT HEALS' ecosystem, collaborating with MIT faculty, industry partners, and local hospitals.

Applications are due February 1, 2026. Five fellowships will be awarded, covering 4 years of salary, starting at \$90k/year and full MIT employee benefits, and some expenses. Postdoctoral applicants should have no more than 12 months of postdoctoral research experience at the time of the application deadline, Ph.D. degree must not have been conferred more than 24 months prior to the application deadline and Ph.D. candidates that do not have their degree by the deadline are eligible, M.D. degree must not have been conferred more than three years prior to the application deadline.

LINKS: [Agency Site](#)

---

#### NASA Space Technology Graduate Research Opportunities – FALL 2026 (NSTGRO26)

Notice seeking proposals on behalf of individuals pursuing or planning to pursue master's or Ph.D. degrees in relevant space technology disciplines at accredited U.S. universities. Through this fellowship opportunity, NASA seeks to sponsor U.S. citizen, U.S. national, and two permanent resident graduate student research

that has significant potential to contribute to NASA's goal of creating innovative new space technologies for our Nation's science, exploration, and economic future.

Proposals are due January 29, 2026. Approximately 35 awards are anticipated with each award not to exceed \$84,000 per year. Only accredited U.S. universities are eligible to submit proposals on behalf of students who intend to pursue a graduate degree program related to space technology. Students must be seeking technical degrees directly related to space technology.

LINKS: [Grants.gov](#); [Grants.gov \(new version\)](#); [Agency Site](#)

---

#### ROSES25: B.5 Research and Development of Initiatives for Advanced New Technologies

Notice seeking notices of intent (NOIs) that demonstrate critically needed artificial intelligence tools to advance heliophysics science research.

NOIs are due January 26, 2026. An estimated \$1.2 million is available to fund five to ten awards.

LINKS: [Grants.gov](#); [Agency Site](#)

---

#### Simons Dissertation Fellowship in Mathematics

Notice seeking applications to provide research support to excellent graduate students in the final years of their PhD studies.

Applications are due February 25, 2026. The grant will provide \$19,200 per year for a total of \$38,400. Approximately 40 dissertation fellowships are expected to be funded in 2026. Applicants must be enrolled as full-time PhD student in a PhD granting mathematics department at an institution in the United States, and must be in their third year of study of a five-year PhD program.

LINKS: [Agency Site](#)

---

#### Strategic Technology Office-wide Innovation Solutions Opening Announcement

Notice seeking abstracts that outline innovative and disruptive technologies for existing and future battlespaces.

Abstracts will be accepted on a rolling basis.

LINKS: [Contract Opportunities](#)

---

#### GUARDIAN Industry Day

Notice announcing an industry day event to introduce the Genetic Utilization for Advanced Regulation and Defense of Indigenous and Native Species (GUARDIAN) Program.

This hybrid event will take place on January 27, 2026 from 8:30 a.m. to 1:30 p.m. Required registration must be completed by January 22, 2026.

LINKS: [Contract Opportunities](#)

---

#### Cyber Physical Systems Executing in Real Time (CyPhER Forge) Industry Day

Notice announcing an Industry Day event to provide information to potential proposers on the objectives of the Cyber Physical System Executing in Real Time (CyPhER) Forge program in advance of a planned program solicitation.

The event will be held on January 22, 2026. Required registration must be completed by January 16, 2026.

LINKS: [Contract Opportunities](#); [Agency Site \(registration\)](#)

---

#### NextGen AI Fellowship – Summer 2026

Notice seeking applications designed to develop the next generation of startup founders, particularly those interested in AI-driven companies. The fellowship equips participants with the skills, mindset, and network needed to turn bold ideas into real, venture-scale businesses.

Applications are due February 1, 2026.

LINKS: [Agency Site](#)

---

#### Research Engineering Development and Analysis for Cyber Targeting (REDACT)

Notice seeking proposals for innovative research to develop adversary system of systems analysis to support Air Force, USCYBERCOM and other mission partner entities. Research will include requirements evaluation, proof-of-concept technology development, and deployment of technology to operationally realistic environments for evaluation.

White papers are due January 21, 2026. Multiple awards are anticipated.

LINKS: [Contract Opportunities](#)
