

University Courses and Curricula Committee Meeting Minutes

December 11, 2025

Minutes from the November 6 meeting were approved.

The following proposals were approved:

FTA - 6001 - Practicum in Production

HRT - 2030 - Principles of Food Production

CSCI - 6624 - Web Security

Film and Theatre, M.F.A.

Business Administration, B.S.

ENCM - 2350 - Structure I

ENCM - 3340 - Soils and Equipment

ENCM - 4600 - Construction Safety Regulations

ENCM - 4700 - Computer Applications in Construction

Graduate Certificate in Business Administration

Post-Baccalaureate Certificate in Business Foundations

EDUC - 1001 - Education in American Society

ACCT - 6133 - Study in Managerial Accounting

ACCT - 6143 - Sem Accounting Info System

ACCT - 6151 - Federal Tax Practice

ACCT - 6167 - Internal Auditing Concepts

ACCT - 6153 - Tax Corp & Shareholders

ACCT - 6169 - Fraud Examination

The Accounting, M.S. proposal was not approved during the meeting. Scott Pentzer said that Norm Whitley and Bill Sharpton were speaking to graduate programs about standards for their student learning outcomes and suggested that the committee ascertain whether or not this had occurred in Accounting before approving the proposal. Darrell Kruger emailed Norm Whitley and Bill Sharpton to ask about this and will get back to the committee when he learns more.

These proposals were not approved during the meeting and the Committee Chair will contact the originators regarding the following revisions:

FA - 1012 - Drawing for Non-Majors

Catalog description should be rewritten.

MANG - 5720 - Cybersecurity Management

Prerequisites should be removed from the catalog description.

MANG - 5771 - Business Analytics in Practice

Prerequisites should be removed from the catalog description.

CSCI - 4620 - Topics in Cybersecurity

An example syllabus should be submitted.

ENCM - 3200 - Construction Codes, Documents, and Specifications

A typo in the catalog description needs to be fixed.
