National Center for Advancing Translational Sciences; Notice of Meeting

Notice announcing an open meeting which will feature presentations from NCATS Director and others about the center's initiatives, policies, programs and future direction.

The open portion of the meeting will be held on April 17, 2025 at 1:00 p.m. to 3:00 p.m. in Rockville, MD and can be accessed by videocast.

LINKS: [Federal Register](#); [Agency Site](#)

National Heart, Lung, and Blood Institute; Notice of Meeting

Notice announcing virtual public meeting that aims to discuss NHLBI program policies and issues.

The virtual meeting will be held on April 23, 2025 at 10:20 a.m. to 3:00 p.m.

LINKS: [Federal Register](#)

Dr. Martha Pitel Global Nursing Research Grant

Notice seeking applications for cross-country (at least two countries) collaboration between nurse-led research teams. Research should focus on solutions to global health disparities.

Applications are due May 1, 2025. Awards up to \$10,000.

LINKS: [Agency Site](#); [Sigma](#)

Shenoy Undergraduate Research Fellowship in Neuroscience

Notice seeking applications to spark and sustain interest in neuroscience among undergraduate students who have not had access to research training opportunities. SURFiN provides funds for paid, in-person undergraduate research assistantships during the academic year to students living near Simons Foundation-supported laboratories in the U.S., Canada and Europe.

Applications are due May 1, 2025. Fellows may earn up to \$7,500 at a rate of \$25/hour for 10 hours a week over 30 weeks during the academic year.

LINKS: [Solicitation](#); [Simons Foundation](#)

Eunice Kennedy Shriver National Institute of Child Health & Human Development Council

Notice seeking participation in a virtual public meeting. The agenda for the public portion of the meeting includes introductory remarks, the director's report, and council business.

The meeting will be held June 9, 2025.

LINKS: [Federal Register](#); [Agency Site](#)

PROactive Solutions for Prolonging Resilience (PROSPR)

Notice seeking solution summaries that develop interventions that extend healthspan by 20 years by targeting the underlying causes of age-induced health loss and thereby prevent the onset of multiple age-related diseases simultaneously.

Solution summaries are due April 25, 2025. Anticipated awards include Multiple Other Transaction Agreements.

LINKS: [Contract Opportunities](#); [Agency Site](#)

Reengineering Enabling Sleep Transitions in Operationally Restrictive Environments (RESTORE)

Notice seeking proposals to develop multimodal, multitarget, noninvasive neuromodulation methods to repair disrupted sleep architectures caused by sleep restriction, with the ultimate goal of improving cognitive performance. Proposed research should investigate innovative approaches that enable revolutionary advances in the mechanisms of sleep related to performance psychology.

Abstracts are strongly encouraged and due April 14, 2025. Proposals are due June 18, 2025. Multiple awards are anticipated.

LINKS: [Grants.gov](#); [Agency Site](#)

National Institute of Mental Health; Notice of Meeting

Notice announcing a partially open videocast meeting which will consist of a presentation of the NIMH Director's report and discussion of NIMH programs.

This open videocast meeting will take place June 17, 2025. Registration is not required to access the videocast.

LINKS: [Federal Register](#); [Agency Site](#)

SCIENCE, TECHNOLOGY, ENGINEERING, and MATHEMATICS

Joint Hydrographic Center 2025

Notice seeking proposals for forging a cooperative agreement between NOAA and an institution of higher education to operate a Joint Hydrographic Center as authorized in the Ocean and Coastal Mapping Integration Act and the Hydrographic Services Improvement Act.

Proposals are due May 27, 2025. This will be a 5-year, multiyear award. An estimated \$9.5 million is available per year.

Multi-Spectrum Defensive Electronic Warfare (MSDEW) Advanced Research Announcement (ARA)

Notice seeking white papers and proposals to respond to specific calls under the broad topics of: 1) sensor exploitation from multiple warfighting domains with focus on air, ground, and surface targets; 2) exploitation and fusion of multiple sensor modalities, including active and passive modes, from single and multiple platforms; 3) order management system technologies and third-party software and/or mode exploration.

Calls for white papers will be released individually for research to address specific topic areas under this announcement until March 14, 2030.

LINKS: [Contract Opportunities](#)

NAWCA 2026-1 US Standard Grants

Notice seeking applications to promote partnerships between public agencies and groups interested in long term protection, restoration, and/or enhancement of wetlands and associated uplands habitats for the benefit of all wetlands-associated migratory birds; maintaining and improving the current distributions of wetlands-associated migratory bird populations; and maintaining an abundance of waterfowl and other

populations of wetlands-associated migratory birds consistent with the objectives of the North American Waterfowl Management Plan.

Applications are due July 10, 2025. An estimated \$45 million is available to fund up to 30 awards. Cost sharing is required.

LINKS: [Grants.gov](#)

Advisory Committee for Technology, Innovation and Partnerships

Notice announcing a meeting of the Advisory Committee for Technology, Innovation, and Partnerships. The purpose of the meeting is to provide advice to the National Science Foundation concerning implementation of the provisions of the CHIPS and Science Act of 2022, Public Law 117-167, pertaining to the Directorate for Technology, Innovation and Partnerships (TIP), along with other related policies and activities of the Foundation.

The meeting will be held April 28, 2025; 11 a.m.-3 p.m. (eastern) at NSF, 2415 Eisenhower Avenue, Alexandria, VA 22314 (Hybrid).

LINKS: [Federal Register](#)

Aerospace Safety Advisory Panel; Meeting

Notice announcing a meeting of the Aerospace Safety Advisory Panel. This discussion is pursuant to carrying out its statutory duties for which the Panel reviews, identifies, evaluates, and advises on those program activities, systems, procedures, and management activities that can contribute to program risk. Priority is given to those programs that involve the safety of human flight.

The meeting will be held Thursday, April 17, 2025, 3 p.m. to 4:30 p.m., central time.

LINKS: [Federal Register](#)

FLUID

Notice seeking proposals to address challenges in the following technical areas: technologies to allow Command, Control, Computing, Communications, Cyber, Intelligence, Surveillance, Reconnaissance and Targeting (C5ISR) systems (applications and network services) to function without sacrificing application or network utility, while operating under disrupted and degraded conditions.

Required abstracts are due April 21, 2025. Multiple awards are anticipated.

LINKS: [Contract Opportunities](#); [Agency Site](#)

USSOCOM & SOFWERX - PEO-M: Next Generation Maritime Optical Systems Collaboration Event (CE)

Notice announcing an in-person Collaboration Event (CE) with Industry, Academic, and Laboratory partners focused on "Next Generation Maritime Optical Systems" concept needs. This event is designed to provide insights to ensure potential offerors understand the problem set(s) fully and to increase the likelihood of matching their technologies with Warfighter needs.

Requests to attend this event must be submitted by April 23, 2025. The CE will be held in person at SOFWERX on June 10, 2025.
