Guidelines for Transfer of Credits for the Above Graduate Programs

Transfer of Credits towards UNO Master's Degrees:

With approval of the student's advising and examination committee, students may be able to transfer up to a maximum of 12 graduate credit hours from Lingaya's University towards a master's degree at UNO. The majority of credits completed towards the master's must be earned at UNO.

Transfer of Credits towards UNO's Doctoral Degree:

Each PhD program requires a different number of graduate credit hours beyond a 4-year Bachelor's degree. With approval of the student's advising and examination committee, a student with a Master's degree from Lingaya's University may be able to transfer up to a maximum of 30 graduate credit hours towards their UNO doctoral degree, although some programs may accept less. In some cases, with approval of the program, a student may be allowed to transfer up to a maximum of 12 hours beyond a Master's towards their doctoral degree requirements at UNO.

If a student has earned graduate credits at Lingaya's University but not completed a graduate degree prior to entering the doctoral program he/she may transfer up to a maximum of 12 credit hours towards the doctoral degree requirements at UNO. Students should check with their intended program. Some doctoral programs will not admit students unless they have earned a Master's degree.

The majority of credits completed towards the doctoral degree must be earned at UNO.
