Dear UNO Student:

As a new or re-entering student, you are subject to a State legislated pre-matriculation immunization statute that requires you to provide UNO with your immunization status regarding Measles, Mumps, Rubella, Tetanus-Diphtheria (Td) or Tetanus Toxoid reduced diphtheria acellular pertussis (Tdap) and Meningococcal. The Proof of Immunization Compliance form is included.

The following is a summary of the guidelines of the Louisiana State Health Department:

- **Tetanus-Diphtheria (Td) or Tetanus Toxoid reduced diphtheria acellular pertussis (Tdap) immunization within the last ten years.**
- If you were born on or after January 1, 1957, two **measles-mumps-rubella** immunizations are needed.
  - The first of these immunizations must be given after 1967, after your first birthday, and given without gamma globulin. The second must be given at least 30 days later.
  - If you had the disease, one of two proofs is necessary:
    - A blood test, called a titer, which shows immunity to the disease.
    - The signature of the physician who attended to you when you were ill with the disease.
- If you were born before 1957, there is no **measles-mumps-rubella** requirement.
- If you were born before 1957, the **diphtheria-tetanus** requirement still applies.
- All students must show proof of two doses of Meningococcal Conjugate vaccination separated by at least eight weeks. If the first dose is administered AFTER age 16, a second dose is NOT required.
- Please have the compliance form **completed** and **returned prior to registration**. Failure to do so will result in your registration being delayed or denied. Please fax, email, mail or return the information to the Office of Student Affairs. (Fax: 504.280.3975, Email: healthservices@uno.edu.)
- Waivers for immunizations: **waiver.uno.edu** Login with your UNO username and password.

We look forward to serving you while you are at UNO.
